Nancy, Bend the Knee and join The Royal Imperium... then lets go shopping in Poya

Nancy,

You have held the contrast well.

Welcome to the island of understated mountains.

~O~

Pull up a chair...

Listen to the scholarly, sober, far-sighted musings of House Fu Manchu.

They have given me safe harbour these past ten years. Even though, like everyone else, they consider me *mildly annoying*.

If you so desire, you can talk, through your channels, to My Wing of House Abraxas. I'm sure Kalique will be delighted to receive you. Consider this an invitation from Kalique and I.

Then ditch those city slickers, come to Danshui, and we'll go shopping in Poya. They have stockings, hair clips, David Beckham aftershave.

Poya is so rad.

Then you can learn drums or Mandarin, if you wish. Im trying to learn Misirlou on the SG.

Let's make this week, **this burning August**, a model of Redemption, Logic and Inter-House cooperation.

Alright. That's all for now.

RSVP.

In Eternal Foolish Optimism,

Doozle

Let's say goodbye to the era of pointless war.

Are we not tired?

Is it not written in the firmament, that EArth will be a Galactic Hong, a Whirly-gig New York?

We know many of you held back, tarried, and pushed against The Power that Pushed You. We are Grateful for that.

Do you like the video?

Can you feel what I want for All of You?

Can we all ditch our egos, and fade together into the Black Sun?

Who wants to live in a cottage, with Someone They Love?

Galactic History will Pivot on those that Let Go first...

From you, as a Fulcrum, all The Clans will heal.
