Yes

I can't explain it. I made all of my own worst nightmares come true when she returned to the sky. But it was what had to happen to set me free. I don't know what's next, but it couldn't have been coincidence. I was very angry and direct.

Happened over 1000 years ago, He has been reincarnating here on Earth since then.

The Illuminati call him The Anomaly, They have been following him since his Birth. They do hate him though, but cannot harm him.

Quoting: **Anonymous Coward 75694638**

There is a collection of books, the bible, which outlines the nature, coming, and second, final coming of the ONLY begotten Son of God/Spirit of God in human form.

In fact, He appeared only once in human form. He's returning in Spirit.

The Holy Spirit is here right now, indwelling those who follow after Jesus, spread across the earth in the faithful.

Your anomaly, however, is of satan.

Quoting: **Anonymous Coward 80665096**

So, yes. It could be true.

And God could be human (or post-human).

It makes more sense than existing religions.

When you start noticing the Angel number 333 everywhere you look, take a step back and look into its meaning. The Universe and Angels want you to know that you are loved, cared for, and protected every step of the way no matter what. Even at times when you feel at the lowest point in your life, your Angels are by your side.

On the other hand, if you feel powerful, confident, and energetic, seeing 333 means the Angels are supporting you at every step of the way. You are proud of your achievements and excited about what the future has in store. Most importantly, you have grown as a person, and your Angels are proud of you. The Angel number 333 associates with good energy and personal growth.

The Universe and Angels are sending you a reminder to keep growing and searching for your purpose in life. There are a lot of amazing things waiting for you around the corner, remember that.

She lied, then she died. Then I was set free. I loved her, she was my wife. Suffered from bipolar type 1. Her family now knows I was all that kept her grounded.

[\[link to ibb.co \(secure\)\]](#)

I asked the sky to take the man that raped her in her childhood, he passed four weeks later. Her aunt's husband.

I've since stopped making such requests.

She was very ethereal herself while she was here, very displeased and tormented by her genes.

This is really all I have to say to you guys. Watch over what matters, your souls. Physical bodies, damned by design.

The sky told her: Rest does not come peacefully for those with torment in their souls.

I hope she rests peacefully. My love.

Re: God is actually a Human

...

It is a very hot topic right now among very wealthy people, in the last year it has become talked about alot due to incoming planetary system (time and date is unknown/ it seems to move on its own.) Many call this planet Nibiru

Quoting: **Anonymous Coward 75694638**

Many high level satanist's have died in ritual trying to watch him. This has reduced the number of people who attend these types of events and has created a divide in religion among the High Society. The counsel is fairly evenly split between worshippers of a single God of light unnamed and Satan.

Quoting: **Anonymous Coward 75694638**

So he kills the watchers and they worship him?

Quoting: **Protoi777**

He doesn't do much of anything, which completely infuriates many members. His spiritual presence from what I have heard is massive, possibly even a mile wide around his body. Many members believe he is Satan or Satan's Son, Many members believe he is God as a Human. If he is Killed, time goes back 2 weeks. He is the reason for the Mandella Effect and has saved the world through his death many times. It is now very illegal to kill him(it was once used as a last resort) and he is protected by many government agencies/ and the Illuminati, unknown to him.

Quoting: **Anonymous Coward 75694638**

Why does this sound familiar. Is he like "The Golden Child" starring Eddie Murphy?

God's curse blights the house of the wicked,
but he blesses the home of the righteous.
He gives proud skeptics a cold shoulder,
but if you're down on your luck, he's right there to help.
Wise living gets rewarded with honor;
stupid living gets the booby prize. Proverbs 3:33

My sin is loving everything/one too much and trying to help them in whatever way I can when they ask me or tell me their problems with sometimes epic results and other times epic failures.

I've learnt a lot of lessons though. I used to drink and take drugs, I used to fight, I used to have sex with any girl that smiled at me and to tell ye the truth, I was never fucking happier.

So yea I'm not God either or I would be 100% win every time.

I must be the Devil.

the 47 = middle then answer lies in cancer
this reason USA is celebrate mirror Month date 74 =July 4th
