Jesus walked on top of a UAP/UFO in the Sea of Galilee...

Stars are organic macro machines
UFOs are inorganic medio machines.

both house quantum spirits.

stars are analog
ufos are digital

stars last 10 billion years
ufos are indestructable and last infinity.

our deep identity rests in robots.

we are organic robots made by inorganic ones.

the halo around Christ's head subtly represents the UFO/ORB/UAP that he walked on, healed with, and escaped the earth with.

bro, you're still in kindergarten with all of your literal beliefs.

Water = truth.

Jesus walked on the truth.

he didn't walk on literal H2O, but, truth. you can do it, too, if you just look a little deeper.

if not...

I fell sorry for you.

Re: Jesus walked on top of a UAP/UFO in the Sea of Galilee...

Walking on water is an occult art, and can be achieved by any human.

It requires training in energy work first though and understand the duality and how to manipulate those two forces to work against each other to create a barrier you can walk on.

40 days and nights of rain also meant 40 days and nights of snow.

now all that snow is melting..

the celestial rains came from the sun.
it is made of hydrogen.
water, is a byproduct of fusing hydrogen.

the flood came from the sun.

Yes sir, and the Sea of Galilee is in the sky. Couldn't have put it any better myself. I've got pictures to prove it, the UFOs are cloaked by clouds and they manifest a plasma type of entity, especially after solar wind, flares and CMEs. Oh yeah, whatever these fucking things are, they are here, right now. Unfortunately people can't be bothered to look up. 5 stars

Excellent post OP.

You can see they don't like it. Even threatening you over it.

But why do you think only 3 people made contact with the Guardian races? Many have contact in SE Asia. In fact, all over the world. It's just very secret.

In Bali, they could quite easily go up to the craft astrally. Actually going physically, is harder. They tried to teach me how to do it.

Suffice to say... when you see a village doing a cute traditional ceremony in the afternoon, they may actually be communicating with the Guardian races.

The biggest city in North Bali is called Singarajah. That translates interestingly...

Way, haha. Good translation.

I heard about there being 144,000 'players'. I know I can manifest reality, but my skills are not fully developed yet. They keep tricking me into making semi-negative timelines. I have to be more positive.

Can you drift into the right hemisphere, 'get out' for a while, and take a break form this universe?

I can do it for a few minutes at a time now. Deep breathing helps. Barleygrass really improves my OBE skills.

I'll be here for an hour if you want to talk about this topic of topics.

Many references to UAPs in the Bible, if you look with open eyes.

Chariots of fire?

Star children been incarnating here for centuries.

The jailers spend extreme effort getting them to forget that they can call on these armies and crafts.
