Re: The Restoration Bureau

Anglo-Saxon civilization is responsible for elevating man to the stars. Anglo Saxons landed on the Moon first. Leif Erikson brought Anglo-Saxons with him to Vinland for their bravery. It is long-standing tradition.

This history cannot be unwritten, nor is it likely ever to be outdone.

Re: The Restoration Bureau

Now that the holidays are done, it's time to get back at it. Lift hard, train hard, organize with your people. 2023 is going to be a big year for us.

Re: The Restoration Bureau

People ask me what my ultimate goal is.

My aim is to make knights-errant of you all and to one day take back our Patria by FORCE!

Every day I am working towards this end, and you all won't see the end of me for a very long time.

It is said that one should fear an army of sheep led by a lion, but when I see your faces all I see is lions and our leader is the strongest of them all. Numbers matter little because when we are ready every man among us is ten-thousand! Imagine what we will do!

Our conquest is inevitable. And I (and others) will show you how, step by step.

Ronin

Re: The Restoration Bureau

"Somewhere, a future leader is furious at what he sees around him: the cowardice, selfishness, and incompetence of the 'leaders' who betrayed their warriors so completely and utterly. He is out there."
