You'll see.

Try wishing harm on me or my family.

And see what happens to you and yours.

I take it back I'm not near out.

I'm going to be around for a long time just to sicken you.

Re: the anomaly deserves a medal of honor

Specific tasks will be assigned to others, in order to create a "martyr" for the cause, taking the demonstrators to a confrontation with the authorities, in order to bring about uprisings or shootings, which will cause the death of one or more persons, who would become the martyrs, a situation that should be made use of immediately against the regime, in order to create greater conflicts.
