Is 373 deleting the Anomaly threads? Will he sign this form, and swear against these accusations? Added PDF Archive of trashed threads..

We discussed this in another thread. It was mysteriously deleted.

Last I checked, 373 refused to swear against these accusations under penalty of perjury. Here's another chance.

Can 373...

- 1) Sign FORM A.
- 2) Swear against my statements under penalty of perjury.

Or does he accept the charges in full?

Silence, under commercial law, means full acceptance of the charges.

Any statement not made under penalty of perjury, is counted as silence.

We ask all of Creation to Witness This Trial.

~O~

FORM A.

I swear under penalty of perjury, on pain of death, with full commercial liability, the following statements are true.

- I, 373, have never taken part in ritual sacrifice or sex with a child under 16 years of age.
- I did not say "I am here to help and to harm" in June 2021, on the Anomaly Evolving thread.
- I did not write "Incidentally, my boss is Dutch" on the abovementioned thread.
- I do not have the ability to delete threads, or flag threads for deletion.
- I have not deleted ANY threads this year.
- I never claimed child molesters were Apex Predators.

Under penalty of Perjury, before All of Creation, I swear with full commercial liability, the above five statements are true.

Sworn and Signed,

AND / OR swear against these accusations.

I swear under penalty of perjury, on pain of death, with full commercial liability, the following statements are true.

- I, 373, have never taken part in ritual sacrifice or sex with a child under 16 years of age.
- I did not say "I am here to help and to harm" in June 2021, on the Anomaly Evolving thread.

- I do not have the ability to delete threads, or flag threads for deletion.
- I have not deleted ANY threads this year.
- I never claimed child molesters were Apex Predators.

Under penalty of Perjury,, before All of Creation, I swear with full commercial liability, the above five statements are true.

Sworn and Signed,

OR SWEAR AGAINST THIS:

I, Daozen, Judge and King of My Private Universe, swear under penalty of perjury, that you, 373 have taken part in either ritual sacrifice, pedophilia, black magic, energy theft, or pre-meditated treachery and betrayal.

You therefore enthusiastically agree to be spiritually annihilated over the next week, and return ALL your stolen energies to the person and people you stole them from.

~There is no evidence that this is not happening now.~

- Furthermore, you said "incidentally, my boss is Dutch" on the Anomaly Evolving thread in June 2021.

- You also said "I am here to help and to harm"

- You have also angrily defended pedophilia many times. When the subject was brought up, your next post included the words Apex Predator.

You are therefore not fit to live in My Private Universe, and I sentence you to Annihilation.

You may contest this ONLY under of penalty of perjury, and full commercial liability.

If you do not do that within one hour, the court will recognize that you enthusiastically agree to annihilation.

I call all of Creation to witness this.

If you do not rebut and refute ALL those statements within 1 day, your silence (or perjury dance) will be taken as full consent to my sworn statement.

I swear under Penalty of Perjury, with Full Commercial Liability, the above sworn text is true, to the best of my knowledge,

Signed and Sworn,

Daozen 'Joffery' Baggins

Here's an archive of all the valuable threads that he deleted in the last few days alone.

The true deletion count probably runs into the hundreds.

Despite his claims to the contrary, he is actively trying to suppress free speech.

If this is not true, let him deny it under perjury.
