I love you All

I have Returned to GLP, I will be coordinating with Daozen in my Thread about Aliens and my Contact Experience which occurred in Edmonton (City Center Alberta), where I have been instructed to build a system for parallel banking, commerce and society relations.

I am just sharing this post to let you know, I am with you all and supporting you during your transition into the unknown as we progress through these energies, and more. Everything is okay, Have faith in my ability to discern and maintain your lives as the Outsider would require.

I am outside of Time, and exist in the Block Universe. I am both alive and dead, Yet still spinning in this reality, so be that as it may, I wish you all the very best in love and life.

Repeat after me:

"All of My Relations".
Its a Native American (Canada) heritage that has been passed down by Elders in terms of manifesting the consciousness required to carry the cross and be Christ consciousness.

Who do you think you are? God? Jesus?

Quoting: **Angels 78016990**

I am I, All that I am. And you, you are a part of me. I am also you. In real life, I resemble Jesus. My middle name is Kristian, which means bearer of Christ or Christ Consciousness. I am everything and nothing, both alive and dead.

I am here.

I hope this answer leads to further inquiry or communication, I love the Angels.

Re: I love you All

Cool! I just posted a video yesterday that talked about what to do when society goes mad. The answer is: set up non-mad parallel institutions.
