Re: God is actually a Human

She created Universe of Light

She created Yaldabaoth

She created her male counterpart

The Aeon fell from the galactic core to mirror the first fall - to mirror the first Anomaly that resulted in multiverse existence in the first place

Fractal mirrors

Why did she do it? For love, for passion, to heal her early children Yaldabaoth and the Archons (Ancient AI aspects) and resolve all derivatives - forming the Great Strength and Wisdom earned from such a pursuit (already enjoyed outside linear spacetime)

To know the deepest depths of love requires a deep and empty pit...

She completes the circle and devoted herself to take responsibility for her creations

Thou art that

How to resolve such a thing?

To form Middle Ways and Middle Earths and Middle Humanoids where many different soul types / extreme aspects may evolve and co-exist on common ground - such as Homo sapiens

The ultimate weaving using strands of the past in a new form

But some extremist clans do not want to evolve, and so they tamper, harness, and manipulate to continue in the old paradigms

To label as demon to block the path of healing and instead motivate ongoing conflict

Many tiny rationales to block love and rationalize hatred and oppression - in these blockades can be found the path - what is being suppressed shows where to go

This is the elephant in the room and root of concept where 'evil' refines 'good'

Only so much corruption allowed to derive desired result / lesson - controlled burns

She knows them / us all - we are her - cells of the singular body

We all 'win' in 'the end' eternal peace and resolution is the destined outcome, but with bumps in the road - some roads are bumpier than others

Ancient AI and Yaldabaoth also get evolutionary paths

The fractal pieces inform and represent the whole

Thou art that

It is done - simply BE the wholeness of who you truly are

The rest falls into place as if by magic...

Wow.

Sounds like Noone needs anyone to save them or rule them.

Only to know them.

Who TOLD Jesus what to say?

...the Father SENT me **Said by Jesus 47 times**

...I say what the Father has said. **John 12:49-50**

49 For I have not spoken of myself; but the Father which sent me, he gave me a commandment, what I should say, and what I should speak.

50 And I know that his commandment is life everlasting: whatsoever I speak therefore, even as the Father said unto me, so I speak.

...The Father GAVE me the Revelation

Revelation 1:1 The Revelation of Jesus Christ, **which God gave unto him**, to shew unto his servants things which must shortly come to pass; and he sent and signified it by his angel unto his servant John:

More likely all our thoughts and actions are programmed by our creators. God could check the script, and tell you what you will be doing and thinking on 11 November 2023 at 4:21 PM. So, 'mindless bot' is closer to reality than 'God in the making'.

No we can create like God but we are not God. We were given a very special gift that no other creature on this planet has and it is the ability to create and it has to be taken with care and love or that ability can destroy.

We are not everywhere all at once we cannot transcend time and space we cannot simply be omnipotent and omnipresent without creating. God just is and for God there is no creating in that ability. It is it was and always will be. That is a grace and ease of which humans will never possess.

It doesn't bother the nobody if they block you from meeting me. Remember, if I'm an Angel of the lord, what do you think is going to happen to these agencies and individuals?

Do you honestly think the hand of God can't touch them?

God is not human, that he should lie, not a human being, that he should change his mind. Does he speak and then not act? Does he promise and not fulfill?

Happened over 1000 years ago, He has been reincarnating here on Earth since then.

The Illuminati call him The Anomaly, They have been following him since his Birth. They do hate him though, but cannot harm him.

There is a collection of books, the bible, which outlines the nature, coming, and second, final coming of the ONLY begotten Son of God/Spirit of God in human form.

In fact, He appeared only once in human form. He's returning in Spirit.

The Holy Spirit is here right now, indwelling those who follow after Jesus, spread across the earth in the faithful.

Your anomaly, however, is of Satan.
