LARPers: The Entity calling Himself Dan Starman, and his Faction, are Hereby imprisoned and deposed in this Aurora Universe. Any objections?

Dear Mediators and Armies of The Aurora Universe,

Finding the Entity Dan Starman to be deceitful, covetous, murderous, and plain tedious...

Finding that he wants to keep humanity imprisoned, as he considered this planet his personal poverty harem...

We hereby Imprison and Depose him of ALL his titles and power, from Holland, to Taipei, to Sirius... Finding him unfit to rule on multiple counts.

We call fervently for Mediators to lay waste to his powerbase at their earliest convenience. The Council of Three, Kalique, Lino and Saul, may execute their judgement at will.

Let the Reign of the Pretender Kiing Annu be terminated Herewith.

Challenges must be made in writing, with Full Commercial Liability, under pain of Death.

Challenges and Objections open til midnight, Tuesday, December 20th, 2022.

Finding the staff of God's Wood to be deceitful, we ask that the sentence be carried out immediately.

Silence means full consent.

All posts not sworn under penalty of perjury will be considered Silence and Full Consent.

Sworn Under Full Commercial Liability, and Penalty of Perjury,

Daoxen Abraxas-Baggins.

~O~

No objections?

Full Silence from the Orion and Sirius Empires.

They have been waiting for this a long time, I guess.

Carry out the Sentence.

There's a reason why lawyers are considered demonic and the worst of mankind.

Stop trying to be one.

No sworn refutation?

That counts as consent and **legal silence**.
