[#Defango](#) and [#JordanSather](#) members of the same [#SchoolofThought](#)? called 11:11 progress group!

The claims that he was into that so he could then "expose it" is a lie as dumb as it sounds. Back in 2018 Defango would dedicate videos to reading 11:11 emails.

What you need to really look out for is narcissistic compassion

It's the biggest threat to humanity as we know it

The #Qanon brainworm went through a specific community that at this point is so obvious, that it's "weird."

I wish I had my channels back. It was evidence of my fight and how, from drinking the Kool-aid like it was Gatorade and being part of 3301\* and fighting other idiots' fights to becoming their worst nightmare, it's all about how you tell the story. We can learn to tell them, too.

It's funny that it was a point I was trying to make the other day, that I never cared about what "dramas" came after a certain point, and they went through a lot and put in the extra effort. As with the alleged chat leaks...

In a way, I appreciate it but feel bad about it
