Cernunnos sad?  
Wot?

I think you "anomaly" Is very different from mine, "the laughter im the forest",does not get sad, he gets even, it confounds me, I know who and what I'm waiting for, and youuuu are not describing the master I serve, I nonono

The guy in the video.

Truly a stunning and brave leader.

His brother a K of C knight who supports Tem Tebow who does 666 sperm Jockey logo adds and mourned the death of Queen Lilith Lilibet the leader of a catamite army of pedos.

Such sadness that he is the biggest name dropper I've ever known.

Such sadness when he poses with countless celebs and NFL players.

All hail the stunning and brave bisexual witch.

#### Re: The most striking thing about the Anomaly is his sadness

He feels the pain of the world and everyone in it.

We live in a dark age where evil rules.

Sometimes it becomes unbearable to handle the reality of everything. His demeanor becomes grim and silent.

He feels helpless because he knows there's only so much he can do.

He has the answers but he can't force people to listen to him.

He has already tried, and he can deliver the message better than anyone else, but it was a fruitless endeavour. All they do is laugh and mock him, or even worse, threaten him.

The masses are too indoctrinated. As time goes on society will continue falling apart and everyone will suffer more and more.

That will lead to some people finally waking up to the hellish reality we're facing.

But that's the thing, people need to do it on their own. Nobody can force them to see it.

So the Anomaly will wait for the day when society is more receptive to his message. He knows things will get a lot worse before that happens though, and it makes him sad.

Well I got Templars keeping me hostage calling me Your Majesty and saying if I refuse to marry a short ass f\*cked male witch being hailed as a hero I will be burned alive.

Amazingly they are loyal to the crown of England and have me at a place called The Windsor.

So you are either for Antichrist Windsor or you are for the ANALmolay.

There can only be one.
