Re: Have They Managed To Track Down This Idiotic Nobody/Anomaly yet?

Does anyone remember the heady innocence of the Citybuilder / Try Everything / Shake-it-Off dancing era in 2016/2017?

Ah, what beautiful ignorant innocence, eh readers? Where has that guy gone?

Shakira owes me a trillion dollars. So does Mila Kunis.

Anyway.. I like this version of me. I call this the Larry Crowne version. Im sure there's another version that played drums + guitar harder, and learnt Chinese better. Im sure that version is the talk of the town.

And you know what? That version of me is calling across time, that the friends I have in that timeline are not 100% real. Unreal friends = A Wasted Life.

Hence the tumbling and stumbling in this loop...

Me and Z will admin-larp from a Willow Tree, not from Malta.

Idiotic is the adjective of Idiot.

It's not the N's fault if GLP has made wild claims about Him/Her/It.

The N never claimed to be God in the flesh. The GLP messiah-thread-cucks made those exhorbitant claims.

We're all God in the flesh... God moves in all of us. What do you think pulses through our veins?
