Theresa my favourite novels are *The Course of the Heart* by M. John Harrison and *Alice's Adventures in Wonderland* by Lewis Carroll. What are your favourite novels?

Ulysses perhaps?

Are you a fan of Ballykissangel?

Re: Pleroma is a secret known to everyone but yourself

Thugs will never know the light of the Pleroma. They will perish with Matter.

Pleroma has an affinity with water and to those who see it in the dream state it is a sea behind the familiar places and thoroughfares of ordinary life.

Teresa isn't being a very good girl at the moment. I may have to 'correct' her.
