There can be ONLY ONE Chosen One

All Ye Chosen, make sure you keep it an absolute secret, for we all wish to be chosen, and believe ourself to be. One might do anything to ensure ones chosen status, in fact many non-chosen could gang up on a chosen because chosen was seeking fame rather than salvation.

Re: There can be ONLY ONE Chosen One

Nobodies chosen.its random chaos and what being flureshes in the soup of chaos.
Certain beings repeatedly throughout the years have been godlike in their abilities.the replacements arent taught the true abilities of this looking glass that is also a magnifying glass and sometimes even a laser.
They come in here all high and mighty not realizing godzilla or an angel of god could be buried in these hallowed halls.
We tell them on their first day but their ego destroys them.so we let them migrate by their bosses orders,giving up showing them the true secrets and let them wander aimlessly for 4 years to no avail.
Thats why trump is worshipped and biden is condemned.so mote it be.no skin off my back.

Re: There can be ONLY ONE Chosen One

The chosen one are the one's who had woke up sooner and only the chosen few can become a Jedi..

'Take what is yours and go. But it is my will to give to this last, just as to you.

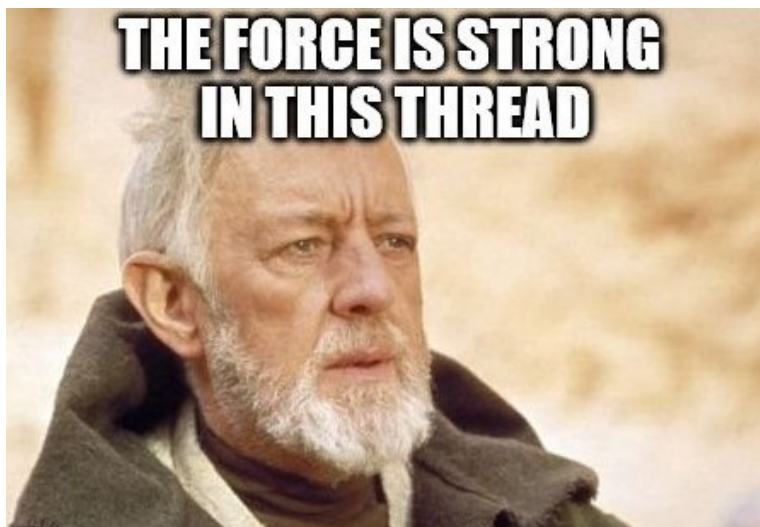

And is it not lawful for me to do what I will? Or is your eye wicked because I am good?'

So then, the last shall be first, and the first shall be last. For ~~many~~ ALL are called, but few ~~are chosen~~ choose to listen. Therefore, they do not choose RIGHT." - Lord Jesus in Matthew 20:14-16

I cannot choose for you, but I CAN help you make your own right choice. "Many are called but few are chosen" should read, "ALL are called but few choose to listen. Therefore, they do not choose RIGHT."

The "chosen ones" are merely those who choose right SOONER. This is the real meaning of the celestial speed-up. Strong wills can do this NOW, and you WILL find rest for your Souls. God knows you only in peace, and this IS your reality.

Re: There can be ONLY ONE Chosen One

I don't get the Chosen One obsession. It makes me cringe.

Programmers, engineers, musicians, sportsmen, filmmakers...

... all the most successful people in society work as part of a **team**.

You can't build something great without cooperation.

What if no one turns up to your stoopid belle-of-the-ball competition?

What are you gonna do then?

Massimo just pulled out. I pulled out 1 or 2 years ago. I already have my position in Heaven. So why get into an EArthly slapfight?

It'll take multiple, varied, complementary skillsets to fix this world.

How you tards think just one person will do it is beyond me.
