Have you ever used a penis pump?

Does it make really your penis bigger?

I watched some BBC porn recently and got inferiority complex, so I'm thinking about buying one and trying on myself?

Anybody has experience using the device? Any tips, recommendations?

Re: Have you ever used a penis pump?

Try jelqing, its safer.

Re: Have you ever used a penis pump?

Once I used a penis pump gauge to syphon gasoline from the tank. While I was writing this a detail came to my mind, that never caught me before, and it gave a new hilarious read at the situation. True story

Re: Have you ever used a penis pump?

My buddy used to use one all the time. He swore by it. Said it made him 2 to 3 times bigger.

I was always comfortable with my size so I was never interested in trying one. Nor was I interested in the details of my buddies experiences with using one. "Cool story bro" was all I'd say if he brought it up.

Re: Have you ever used a penis pump?

are you tarded ?

What you see on porn is not reality. You would NOT WANT the life of a male pornstar who is 50% of the time expected to act in gay and bisexual porn as well as straight porn.

There is no glamour in this industry.

It's a **manufactured illusion** designed to get you to **ruin yourself**.

These 'large penis's you see are a tiny tiny tiny percent of people. like 0.00000% - like 1 in 100,000

Those people's lives are consumed by their freakishly large penis. They wake up in the morning and instead of being able to focus on building a good life become obsessed by their freakish penis and spend the day in debauchery. They go do a porn shoot, get a \$500 and then go back to an empty life. By the time they reach 25 they are no longer to even get an erection, or have a normal healthy life.

They try and have a relationship and about 99% of ordinary women say are physically hurt by a penis above about 7 inches and find it uncomfortable.

You are letting a FAKE REALITY DEVIATE YOUR LIFE.

If your above 5 inches you will more than satisfy the average woman

If your less than 5 inches then get a small petite girlfriend and you will more than satisfy her

TAKE CONTROL OF YOUR MIND AND YOUR BODY WILL FOLLOW.

Do not allow yourself to be dragged into the Ghetto.

Have you ever used a penis pump?

Thanks,

That sounds comforting, but I still wouldn't mind if I could make it somewhat bigger.

I think everybody respects a big penis (no homo).

Have you ever used a penis pump?
keep making flicks about me. I am proficient with git and CSS.
Any further questions, please do not hesitate to ask.
Anyway... jelqing works, as does HGH and MK677.
OP, get some MK677 from purrrerawz. it;s like 3 dollars a week.
