Re: There are Twelve Main Groups

Extremely rare?

You just don't want anyone escaping this Galactic Boystown you made...

Do you have any idea how many eyes are observing us right now?

This is a critical moment in time.

You're just trying to kill hope.

I have been hard at it for a year. What is the time frame for my first visit? Will it be obvious or more subtle? I feel they be helping but it's not obvious.

OP spams this board with new age jumbo jumbo that's borderline delusional. Self improvement is great and you should follow OP's suggestions with that regard. However, it is extremely rare for people to have an actual encounter with a higher dimensional being. Do not expect such from new age nonsense. There are methods to attract the attention of certain entities as well as other entities that may notice without any effort on your part. Try not to attract their attention as many are not friendly.

Could you, and your entire Infinite Network, swear against this under penalty of perjury?

You are an unwelcome guest in a private universe. You knowingly cooperate with a Dutch Special Needs Institute named Heeren Loo, and a murderous pedophile named Dan Starman. You have taken part in child sacrifice, and child rape.

You all accept fully that you are a blight on Creation. You consent to be spiritually annihilated, and erased from existence in all timelines.

Sworn,

Daozen

30 minutes to respond, til 0:55am December 31st, 2022, Taipei time.

All non-sworn responses are **legal silence** and **full acceptance of the charges, and death sentence.**

I call the forces and Armies of Creation to carry out the sentence with an Unprecedented Show of Power.
