Re: How about we just Cancel HIM ?

If you block or ignore us in the West, we'll just go and set up in China and India.

Can walk into any Indian engineering college, and find dozens of competent helpers. Chinese is solid pre-intermediate. Those two countries are the center of the world. Whitey does not have nearly the sway that he thinks he does.

Everything you do is just wrong, and help us get stronger.

You guys make Dick Dastardly look like a tactical genius.

When we get the power back

Quoting: **Anonymous Coward 82638001**

It's not about plotting to steal the Runestone of Sodomy, or whatever dumbass metaphysical artifact you think the power resides in.

Power. True Power...

.. comes from sincerity, kindness and **competence**

The Galactic Angels laugh at your idiotic rituals.
