They are mad because people are not dying fast enough.

Well that would mean that they are homicidal and genocidal maniacs

More dribble trying to scare people away from having a genuine discussion. Seems like the thread derailers are more likely to be working that program than someone trying to have an honest discussion about large real-world problems

Quoting: **Anonymous Coward 84868069**

If you're just a 'regular guy'.... How did you know that was a program?

You're not trying to have an honest discussion. You're just spamming hopelessness on the webs, to try and keep the vibration down.
