Happened over 1000 years ago, He has been reincarnating here on Earth since then.

The Illuminati call him The Anomaly, They have been following him since his Birth. They do hate him though, but cannot harm him.

The whole story of three kings following the stars to find god isn't a one-off story. It was originally about looking for another incarnation/Avatar of god. This is preserved in the legend of Piast Kolodziej, the name can be translated as "Axis of the Wheel/Cycle of Ages".

It would be extraordinarily divisive to favour one religion over an other. It's actually the Buddhist, Taoists, Muslims and Hindus who resisted the New World Order more than anyone over the last 30 to 50 years. So why side with Christians?

Re: God is actually a Human

[...]

So what is his purpose here?

Quoting: **Protoi777**

- to give God's message to the people of the world
- to tell the people what they have done, i.e. their ancient rebellion against God
- to prepare the way for God's coming when He's going to judge the world for their evil ways.
- to learn to be human to the fullest extent, as an experience that he has to go through.
- to help j-wish people reconnect with God
- to bring real everlasting peace to all the nations of the world

There could be many more, but these are the main ones.

Quoting: **Miri2019**

Are you sure that offer is still on the table? People have chosen to ignore the message, so maybe it's better to peacefully pack up this world. No fire and brimstone, just a pleasant dissolving into nothing.

You can't lead a horse to water, push its neck down and force it to drink.

It's far healthier for everyone to just dissolve this world, if that's an option. Maybe bringing world peace would just prolong this dream longer than necessary.

Quoting: **Daozen**

At a cosmic Divine level it works differently. A world is not dissolved without trying all the options first and currently there's more to go, but you have a good point, that too was on the table for some time. God has put a condition on that world elimination - if His messenger refuses to do his assigned job then yes this world would be completely gone, and not a dissolution of it but a full blown destruction with everything in it.

This was/is always true:

"If you [my messenger] do not do your job, then I [God] will destroy everything!!"

But rest assured that there's more to do in this planet, not everything is doomed, generally the people are good-natured, there's impressive level of expertise in moral, ethical, esthetical and generally philosophical fields (though very isolated in academic circles), there's a great deal of technological advancement, even though some of it was stolen / copied from other civilizations, etc. So yes it's worthy fighting for it.

What this world desperately needs now is guidance and a new healthy good Godly direction, which is coming later. Be patient, the first step has already happened, God's man is already here.

Quoting: **Miri2019**

Im tired now, but I read your post over and will think on it.

I still think a non-dramatic, non-punitive dissolution is underway right now. huge numbers of people, including entire city populations, seem to have disappeared, with no fuss or hassle.

So lets be patient, as you say, and see how things play out.

Re: God is actually a Human

Maybe is related to this Thread?

I do not know I just found this Old Thread here:

The prophecy is fulfilled, and the name of Messiah is Revealed NOW in Europe

Time Is Near

Dead Sea Scrolls Unlocked

The prophecy is fulfilled this year by September 2021 and the name of Messiah is REVEALED

Isaiah The Fall of Damascus

The Name Of The Messiah Is ARON born on 07 September 1982, which is the Avatar of (Messiah, **Jesus, Kalki, Shiva, Vishnu, Buddha and so on**, for all religions or Aliens) he will make the first appearance or it will be revealed by few people or by a whole from his bloodline or by his people on 07 September 2021 when he will have 39 years. He was born in Europe. Read everything for details: The date of birth and the name of the Messiah were discovered.

Aron in J. Gematria equals: = 171

Biblical Ending in J. Gematria: = 171

1+7+1 = 9 the month September

Emissary Of God in J. Gematria: = Alexandru Aron = 822 ... '82 it will be the year when he was born and 2 is the day of Tuesday.

Alexandru in J. Gematria: = 651

Great Reincarnation in J. Gematria = 651

Final Trumpet in J. Gematria = 651

Alexandru is the Romanian Latin variant of the Greek name Alexandros, meaning "Defender of Mankind." The name is most famously associated with Alexander the Great, 4th-century BCE king of Macedonia in Greece, and one of history's most powerful military commanders.

So again His name and surname decoding started with A.

In the Sefer Yetzirah, the letter aleph is king over breath, formed air in the universe, temperate in the year, and the chest in the soul.

Aleph is also the first letter of the nope word emet &(), which means truth. In J. mythology, it was the letter aleph that was carved into the head of the golem that ultimately gave it life.

Aleph also begins the three words that make up God's mystical name in Exodus, *I Am who I Am* (in nope, Ehyeh Asher Ehyeh), and aleph is an important part of mystical amulets and formulas.

In Egyptian, Aron means "warrior" (from Egyptian "" = fight/battle).

Aron means "exalted" or "of the mountains" (from nope "" = exalted/high mountain).

The name Aron means Teaching, Singing and is of J. origin. The name means "mountaineer", or "mount of strength".

Those who heed Him are the poor of the flock; they will be saved at the time of visitation. But others will be delivered up to the sword at the coming of the Messiah *Aron* ...[Damascus document 19.9-11; similar ideas can be found in 19.33-20.1.]

And they shall not depart from any counsel of the law to walk in all the stubbornness of their heart, but they shall be governed by the first ordinances in which the members of the community began their instruction, until the coming of the prophet and the anointed ones *Aron* [Manual of discipline 9.9b-11.]

Curiously, for those unfamiliar with the Bible, the first prophecies about the Messiah are closely related to the allies of the J., the Dacians (Romanians Today) Scythians, and the Hittites. For in antiquity, when they became partakers of the Covenant between Yahweh and Abraham, they became equal parts of the COVENANT, with almost identical rights. Only as long as they will be allies of Abraham and his seed, his descendants. Like the J., the Scythians-Dacians (Derzalin-Cherdarim) and Hittites (Chetim) were the first peoples to be notified of the imminent coming of the Messiah the Savior. an absolutely fundamental honor, promptly honored by God. So again the Messiah is a Dacian Warrior coming from Romania to protect the Covenant between Yahweh and Abraham that was made long long time ago.

Isaiah The Fall of Damascus

"The burden of Damascus. Behold, Damascus is taken away from being a city, and it shall be a ruinous heap," features in verse one.

The verse follows: "The cities of Aroer are forsaken: They will be for flocks to lie down in and there will be no-one to frighten them... sovereignty will disappear from Damascus and the remnant of Aram."

Theorists believe the extract refers to the levelling of the Syrian capital, ushering in a period of doom. Tani Shrabel, writing for Endtime magazine, believes Damascus will become the battleground for Armageddon following its demise.

Zechariah 14 is the fourteenth chapter in the Book of Zechariah in the nope Bible or the Old Testament of the Christian Bible. This book contains the prophecies attributed to the prophet Zechariah, and is a part of the Book of the Twelve Minor Prophets.

Also is written in Kalki Purana Prophecies

And by the way

Aron is also a Hindu Boy name and it is Hindi originated name with multiple meanings. Aron name meaning is Exalted One; High Mountain.
 Royal Arch of Freemasonry it Shows all the time The Virgo and the Moon plus this has happend 2 times this year ... And also the Masonic compass is in the A Shape... So ARON ... Virgo the Month of birth 7 Masonic and Biblical Number, 9 Same also 1982 ... Again we have 07 September 1982 the bith date ... And 07 September 2021 The Great Apparition 39 Years another Masonic and Biblical Number

So from the Dead Sea Scrolls it is clearly written that his name is *Aron* ...
 And after some calculations as Baba Vanga, Sundar Singh or Eduard Maytreia said and from the calculations in the Bible and Torah he clearly says the date of birth: *September 7, 1982* when he was born.
 7 Biblical number, and 9 biblical number ... Eduard Maytreia says clearly that he had to be part of the \ "World \ " that is to be lost in the world, *Messiah born in ROMANIA* in Bucharest but lost in the world to be protected from his evils be hidden by those who seek it and have a normal life full of difficulties, ups and downs, plus that power will receive it at *39 years* and that the appearance will have up to *39 years 3 + 9 = 12 biblical number. So 2021* ... so most of the Papyri, books and all the documents found at the Dead Sea before they were confiscated by the papacy managed to get some of them online and deciphered.

There are more details to decipher but basically *we know a name and a date*, but we don't know what will be yet ...

Bible, Talmud, Torah, Hindu and Quran scriptures all speak of the same person descending from heavens on a white steed named Jesus/Messiah/Mahdi/Eisa/Isa/Kalki/The Purifier, that will destroy evil, enlighten people and usher in a golden age for humanity.

The Bible describes "when the olive tree (Israel) spreads it's branches" and the generation when Israel was founded will experience the 2nd coming, thus the 400,000 years is wrong, but there's a shorter cycle that fits the bill.

Hindu scriptures also says "when Ganges dries up" which has already happened, when women speak bitterly which 3rd wave feminists does, when there are much corruption and sin which is now, all these signs are very clear and has happen thus further indicates the fallacy of 400,000 years is wrong!

Kalki will be the *Defender of Man* of people, grow up between mountains and seas and rivers wich is probably the most know as Romania that have all these 3 characteristics, Sundar Singh say about Romania and more... (search about his prediction about Romania)

Baba Vanga

An important prediction for Romania

Just before her death, Vanga recorded on a tape a prediction that she entrusted to one of her grand-daughters. Her desire was that this prediction reaches a certain person, on a certain time that has the mission to acknowledge it to all Romanians. Her explanation was that the Romanians are special people but they no longer trust their own values and if the message comes from a foreigner it will be better seen than if from one of theirs."

Here is the text of this prediction:

"I am too small for him to come to me, so I bring this news that I was conveyed from Above. Let it be disclosed in January, day 25, year 2005 and within a month let it be taken to the one I will refer herein. If he cannot be reached, give it to people around him. So help you God! - "So here we need to know if HE got the tape?"

To the joy of this world, the one promised to the world will come in Romania. The whole world will rejoice at his birth. God will protect him in a place *faraway* (so he is born in Romania but will live far way from his country) from the place where his ancients lay *until his time comes* this will be *07 September 2021*. Power from above he shall have. The Earth, Water and Fire will help him. When he comes out in this world, everything that is lie will fall apart. This will happen in 2005. He will be the foundation brick for humankind. The first who will recognize him will be his people (Romanias), that he was born in. As a reward, he will lead this people to the height of accomplishment in the entire world. This people will be a real example for all peoples on earth. He shall not ride a real horse, but an iron one that he will drive on his own."

Bible, Book of Revelation describes "woman clothed with the sun, moon under her feet" which is a celestial arrangement which only happens ca once every 5000 years, and happened in 2017, so it proves the time is near. (Here we can say that Woman is the Sign of Virgo that means 07 September is the Sign of Virgo also another clue)

Matthew "right after the tribulations are over (Syrian war, maybe others in the middle east) he will come" so it points to ca 2019–2021. (Here we can say already started Syrian war since long time ago and now as I writed up when Damascus will fall is near)

Nostradamus century 1 quatrain 50

From the three signs (characteristics) will be born a man

who will celebrate Tuesday as his feast day. - And again about this ARON Tuesday was on 1982 on 7 September

His renown, praise, rule and power will grow

on land and sea, bringing trouble to the East

He will be the *Defender of Man* of the People.

Quoting: **WeAreEverywhere**

him

dec 25 pain = Je..
 suraj 47 = Muha..
 Chalice = Je..
 Trisula = Shiva..
 Elephant = Bud..
 green emerald ...
 Scar miranda
 and many more

basically all that sign that him experience
is the clue him is combination of all
at the same time all clue above is make sense
if him is at origin point means rebirth
means start from 0, it is just universe mechanism
to make those thing, a poke for him
to make him understand him is what him is

but will this version of reality attribute
or help his willingness

whatever him already win

only just to be kind ...

The prophecy is fulfilled this year by September 2021 and the name of Messiah is REVEALED

Isaiah The Fall of Damascus

The Name Of The Messiah Is ARON born on 07 September 1902 which is the Avatar of (Messiah, Jesus, Kalki, Shiva, Vishnu, Buddha and so on, for all religions or Aliens) he will make the first appearance or it will be revealed by few people or by a whole from his bloodline or by his people on 07 September 2021 when he will have 39 years. He was born in Europe. Read everything for details:

The date of birth and the name of the Messiah were discovered:

Aron in J. Gematria equals: = 171

Biblical Ending in J. Gematria: = 171

1+7+1 = 9 the month September

Emissary Of God in J. Gematria: = Alexandru Aron = 822 ... '02 it will be the year when he was born and 2 is the day of Tuesday:

Alexandru in J. Gematria: = 651

Great Reincarnation in J. Gematria = 651

Final Trumpet in J. Gematria = 651

Alexandru is the Romanian Latin variant of the Greek name Alexandros, meaning "Defender of Mankind." The name is most famously associated with Alexander the Great, 4th century BCE king of Macedonia in Greece, and one of history's most powerful military commanders:

So again His name and surname decoding started with A:

In the Sefer Yetzirah, the letter aleph is king over breath, formed air in the universe, temperate in the year, and the chest in the soul:

Aleph is also the first letter of the nope word emet & (), which means truth. In J. mythology, it was the letter aleph that was carved into the head of the golem that ultimately gave it life.

Aleph also begins the three words that make up God's mystical name in Exodus, "I Am who I Am" (in nope, Ehyeh Asher Ehyeh), and aleph is an important part of mystical amulets and formulas:

In Egyptian, Aron means "warrior" (from Egyptian "m" = fight/battle):

Aron means "exalted" or "of the mountains" (from nope "m" = exalted/high mountain):

The name Aron means Teaching, Singing and is of J. origin. The name means "mountaineer", or "mount of strength".

Those who heed Him are the poor of the flock; they will be saved at the time of visitation. But others will be delivered up to the sword at the coming of the Messiah *Aron* ...

[Damascus document 19:9-11; similar ideas can be found in 19:33-20:1.]

And they shall not depart from any counsel of the law to walk in all the stubbornness of their heart, but they shall be governed by the first ordinances in which the members of the community began their instruction, until the coming of the prophet and the anointed ones *Aron* [Manual of discipline 9:9b-11.]

Curiously, for those unfamiliar with the Bible, the first prophecies about the Messiah are closely related to the allies of the J., the Dacians (Romanians Today) Scythians, and the Hittites. For in antiquity, when they became partakers of the Covenant between Yahweh and Abraham, they became equal parts of the COVENANT, with almost identical rights. Only as long as they will be allies of Abraham and his seed, his descendants. Like the J., the Scythians-Dacians (Derzolim-Cherdarim) and Hittites (Chetim) were the first peoples to be notified of the imminent coming of the Messiah the Savior. an absolutely fundamental honor,

promptly honored by God. So again the Messiah is a Dacian Warrior coming from Romania to protect the Covenant between Yahweh and Abraham that was made long long time ago.

Isaiah The Fall of Damascus

"The burden of Damascus: Behold, Damascus is taken away from being a city, and it shall be a ruinous heap," features in verse one.

The verse follows: "The cities of Aroer are forsaken: They will be for flocks to lie down in and there will be no one to frighten them... sovereignty will disappear from Damascus and the remnant of Aram."

Theorists believe the extract refers to the levelling of the Syrian capital, ushering in a period of doom.

Tani Shrabel, writing for Endtime magazine, believes Damascus will become the battleground for Armageddon following its demise.

Zechariah 14 is the fourteenth chapter in the Book of Zechariah in the nope Bible or the Old Testament of the Christian Bible. This book contains the prophecies attributed to the prophet Zechariah, and is a part of the Book of the Twelve Minor Prophets.

Also is written in Kalki Purana Prophecies

And by the way

*Aron is also a Hindu Boy name and it is Hindi originated name with multiple meanings.

Aron name meaning is Exalted One; High Mountain.*

Royal Arch of Freemasonry it Shows all the time The Virgo and the Moon plus this has happend 2 times this year ... And also the Masonic compass is in the A Shape... So ARON ... Virgo the Month of birth 7 Masonic and Biblical Number, 9 Same also 1982 ... Again we have 07 September 1982 the bith date ... And 07 September 2021 The Great Apparition 39 Years another Masonic and Biblical Number

So from the Dead Sea Scrolls it is clearly written that his name is *Aron* ...

And after some calculations as Baba Vanga, Sundar Singh or Eduard Maytreia said and from the calculations in the Bible and Torah he clearly says the date of birth: *September 7, 1982* when he was born:

7 Biblical number, and 9 biblical number ... Eduard Maytreia says clearly that he had to be part of the "World V" that is to be lost in the world, *Messiah born in ROMANIA* in Bucharest but lost in the world to be protected from his evils be hidden by those who seek it and have a normal life full of difficulties, ups and downs, plus that power will receive it at *39 years* and that the appearance will have up to *39 years 3 + 9 = 12 biblical number. So 2021* ... so most of the Papyri, books and all the documents found at the Dead Sea before they were confiscated by the papacy managed to get some of them online and deciphered.

There are more details to decipher but basically *we know a name and a date*, but we don't know what will be yet ...

Bible, Talmud, Torah, Hindu and Quran scriptures all speak of the same person descending from heavens on a white steed named Jesus/Messiah/Mahdi/Eisa/Isa/Kalki/The Purifier, that will destroy evil, enlighten people and usher in a golden age for humanity.

The Bible describes "when the olive tree (Israel) spreads it's branches" and the generation when Israel was founded will experience the 2nd coming, thus the 400,000 years is wrong, but there's a shorter cycle that fits the bill.

Hindu scriptures also says "when Ganges dries up" which has already happened, when women speak bitterly which 3rd wave feminists does, when there are much corruption and sin which is now, all these signs are very clear and has happen thus further indicates the fallacy of 400,000 years is wrong!

Kalki will be the *Defender of Man* of people, grow up between mountains and seas and rivers wich is probably the most know as Romania that have all these 3 characteristics; Sundar Singh say about Romania and more.... (search about his prediction about Romania)

Baba Vanga

An important prediction for Romania

Just before her death, Vanga recorded on a tape a prediction that she entrusted to one of her grand daughters. Her desire was that this prediction reaches a certain person, on a certain time that has the mission to acknowledge it to all Romanians. Her explanation was that the Romanians are special people but they no longer trust their own values and if the message comes from a foreigner it will be better seen than if from one of theirs."

Here is the text of this prediction:

"I am too small for him to come to me, so I bring this news that I was conveyed from Above. Let it be disclosed in January, day 25, year 2005 and within a month let it be taken to the one I will refer herein. If he cannot be reached, give it to people around him. So help you God! --"So here we need to know if HE got the tape?"

To the joy of this world, the one promised to the world will come in Romania. The whole world will rejoice at his birth. God will protect him in a place *faraway* (so he is born in Romania but will live far way from his country) from the place where his ancients lay *until his time comes* this will be *07 September 2021*. Power from above he shall have. The Earth, Water and Fire will help him. When he comes out in this world, everything that is lie will fall apart. This will happen in 2005. He will be the foundation brick for humankind. The first who will recognize him will be his people (Romanias), that he was born in. As a reward, he will lead this people to the height of accomplishment in the entire world. This people will be a real example for all peoples on earth. He shall not ride a real horse, but an iron one that he will drive on his own."

Bible, Book of Revelation describes "woman clothed with the sun, moon under her feet" which is a celestial arrangement which only happens ca once every 5000 years, and happened in 2017, so it proves the time is near. (Here we can say that Woman is the Sign of Virgo that means 07 September is the Sign of Virgo also another clue)

Matthew "right after the tribulations are over (Syrian war, maybe others in the middle east) he will come" so it points to ca 2019-2021. (Here we can say already started Syrian war since long time ago and now as I writed up when Damascus will fall is near)

Nostradamus-century 1 quatrain-50

From the three signs (characteristics) will be born a man
who will celebrate Tuesday as his feast day. And again about this ARON Tuesday was on
1982 on 7 September

His renown, praise, rule and power will grow
on land and sea, bringing trouble to the East
He will be the "Defender of Man" of the People.

-Quoting: **WeAreEverywhere**

for years
i-a-on times already said in many thread

him

dec 25 pain = Je..

suraj 47 = Muha..

Chalice = Je..

Trisula = Shiva...

Elephant = Bud...

green emerald ...

Sear miranda

and many more

basically all that sign that him experience
is the clue him is combination of all
at the same time all clue above is make sense
if him is at origin point means rebirth
means start from 0, it is just universe mechanism
to make those thing, a poke for him
to make him understand him is what him is

but will this version of reality attribute
or help his willingness
or this reality wont help him
whatever him already win
at origin so human, so humble
only just to be kind ...

So, yes. It could be true.

And God could be human (or post-human).

It makes more sense than existing religions.

That freaks you out?

I once left a village named Kwadendamme (meaning Evildam) and then came on National Route 666 and noticed a road sign to Borsele. Borsele is the location of the only remaining nuclear power plant in the Netherlands.

God likes to joke. This world is completely fake.
