### Re: Former CEO of Twitter arrested for child porn (satire site)

Yeah ok a random fake new site has the big slanderous scoop and that's your proof. I've never heard of this fake news site. Don't you guys ever think b4 you post especially after the plandemic?

Quoting: **Anonymous Coward 84463409**

Why are you so defensive about this guy and denying it when it could be true? Are you a pedo?

Quoting: **Jayinem**

Usually you have to have proof to post something that affects someone's reputation. "could be true" is not the test. Lol

Quoting: **Anonymous Coward 84463409**

Thou protest too much about someone you supposedly don't even know (or maybe you do who knows) The proof is the website, prove the website isn't real now. Stop crying like a little bitch over someone that is accused of being a pedo prove he's not a pedo or stfu.

Quoting: **Jayinem**

It looks like a fake news site is all. [\[link to mediabiasfactcheck.com \(secure\)\]](#)

I'm in cda, and never heard of this "blog" as the above site notes it.

Ps you guys just totally got fooled lol

Founded in December 2021 by Jason Pires, the Vancouver... Times is a blog that publishes local, national, and world news from a conservative perspective. According to their about page, "Vancouver Times is the most trusted source for satire on the West Coast. We write satirical stories about issues that affect conservatives. We are not affiliated with the mainstream media (CBC, CTV etc.) in any way, and any similarities between our content and the work of the MSM is purely coincidental."

Did you guys notice the satire thing?

Nope, concerned at the amount of delusional schizos tho. Take your meds friend.

Quoting: **Anonymous Coward 84463409**

Hyper defensive about this one thing though, not any other unsubstantiated silliness on this board.

Quoting: **Anonymous Coward 78502688**

It's obvious fake news. Sorry you can't see it friend. That's my only comment on it tbh. Also someone above also noted it was fake as well.

Quoting: **Anonymous Coward 84463409**

Saying something is obviously fake news doesn't prove it's fake news. Prove it.

Quoting: **Jayinem**

The website about page says it's satirical bro lol

Go read it.

You can't even type the site name that you just whole heartedly believed bc trinity obviously banned it. Probably I guess due to other fake news articles.

Please apologize btw you a holes for your false accusations. You should thank me instead for pointing out this obvious piece of fake news. Perhaps you'll believe more fake videos coming out of China tomorrow too and beg for another lockdown?

You dont think Elon did that? Its why the fuckingt p[ervert got his fat ass taken down.

In a military tribunal for this level of wickedness, do you think they will be taking "counter

arguments”?

When people like him are brought before their tribunal they show you why your going to be killed and then they set the date to give you a minute to make peace with your god, then they

fucking kill your evil ass!!

They dont take whining and crying into account, they show you what you were busted doing and its lights out!

They, like me dont care if you deal with it or not, its more entertaining if you cant.

Funny how the two posters accusing me just suddenly went quiet after instaresponses just moments ago before I pointed out their supposed source is banned on glp and is also a self described satire site.

Ill take their silence as an apology and recognition of my higher iq.

You were right, but you could have just said to go to the about page from the beginning and not wait until page 2 of going back and forth? So you didn't really know for sure and you checked and you happened to be right congrats.

I don't really want the guy to be a pedo or not be a pedo, I only care about the truth.

You weren't in a panic mode because it might be fake, you were panicking because you thought you were next, besides, I said it was "unsubstantiated silliness."  
My response was about your over the top reaction.

LOL ok.

Sad to see you consumed by fake news and slanderous accusations even against fellow posters. You're sick in the head my friend.

Keep reading the "Vancouver times" which is not a real news paper and keep living in your fake world. One day, tho, you'll meet the wrong person, and you'll get in trouble for your accusations tho.

Lots of people seem on his side. Looks like this thread is chock full of indignant chomos.

~O~

A child is hereafter defined as someone under 16 to 18 years of age.

Can everyone defending Parag Agrawal, and their entire networks, swear against this?
