Take this forum for example.

It denys you an account if they dont agree.

They deny you the ability to link to posts of get feedback karma.

They ostracize anyone who doesnt agree with them, and with the same breath say they are about truth.

What's wrong with that picture?

### Re: Have They Managed To Track Down This Idiotic Nobody/Anomaly yet?

The only anomaly in history is Jesus Christ in regards to him perfectly living to the laws of God as a human. His divine nature is his own natural state, so healing as well as exorcism under his own authority is his natural state as God.

He is in heaven and the powers in this earth cannot get there. The only way to the father is through him.

This anomaly/nobody meme is to get you ready for the antichrist showing up as a man, his spirit is already here and has been for a long time. When he appears he will also have miracles and seem to fix all the issues. Many will follow him blindly.
