Re: Has there been any deaths of the Truman show watchers?

got it. So hoe do I disable their ability to stare from the cuntly satellites above? What like use the force to will them to crash down?

Quoting: **Anonymous Coward 81135160**

No..you dont get it. Its not them watching. Its the two witnesses..the sun and moon. If you think there is a human that important..and then think there are other humans making a show about it..you missed the mark. Meh..you all missed the mark on the illuminatti too..so im not surprised.

Quoting: **Jb 68230055**

And here we are back full circle again to this point. You know something, if y'all would just be more open and direct with me, there would be far less bullshit gone on. I cannot stand this answer me riddles three routine y'all are all so addicted to. Turns me off and shuts me down.

Always hateful spiteful jealous bitches lurking posing as helpful fuckers. Nope sorry. And sorry you weren't born me. Get the fuck over it and find new hobbies. You wanna be so jealous but would you trade places with me right now? Here's my offer so want my life? Go ahead have it take over since you seem so smugly sure of what you know.
