Re: WTF GLP? No real post on the Neurophone? covert Neurophone harassment as arranged by government agencies and/or other criminals.

I post on it every day, and I have been, since the year 2018, but literally no one ever paid attention...until it was **FAR. TOO. LATE.** >:33

Also, it's **CALLED** the **DEVIL PHONE™** and it was invented by child prodigy scientist Dr. G. Patrick Flanagan, "**DOC**" for short...hehe...

[\[link to www.godlikeproductions.com\]](#)

This is the technology of the **FUTURE** with which one uses to make contact with **THE CHILDREN OF THE DEVIL** and **reveal** the **SECRET ATTACK PLANS** for **July the 12th**, known *over the grapevine* as "**THE DAY OF SATAN**," also "**THE DAY OF EVIL**," also as "**THE DAY WE ALL DIE.**"

https://www.godlikeproductions.com/forum1/message4738210/pg2 1/22

July 12 News Network reports allllll about the **Dream Phone™** It's called the **Dream Phone™** because USE of the **Devil Phone/Dream Phone** only **REVEALS** that this is all **just my dream**, and in **my dream**, I made a **BIG GIGANTIC EYEBALL TENTACLE MONSTER RISE** and **KILL THE WHOLE WORLD** all with a little help from my friends...**MUAHAHAHAHAHA** and all you fuckers just have to accept that >:33 I mean...it **IS** why we are wearing all this **BACKMASKING** er uh I mean **FACEMASKING** right now...

Before **ULURU**, the **GIGANTIC EYEBALL TENTACLE MONSTER**, rose to purrrform it's *tentacly destruction*, I was having fun **RIDING** on my **BROOMSTICK** !!! (his name is **CHARLEY**)

**SPELLING** the **DARK SPEECH** made the **DEAD RISE** and *everybody died*...I had a lot of fun though, **SPELLING** the **DARK SPEECH** with my **Reverse Family**, such as Sister **Tay Tay**

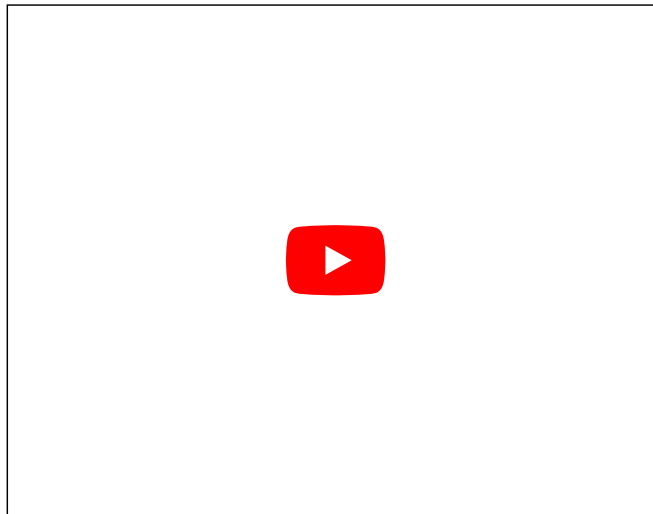

Yea, in reverse I hear people **"WISH"** they could bee me >:33

They'll **NEVER** bee **ANYTHING** like me, they'll **NEVER** bee **ANYTHING** like **ME** >:33

As I am The Man of the Future, as **MOMMY (POPPY)** tells me, I'm how, in reverse, I am **"SO AHEAD"** of my time, and that I will **"SPEARHEAD"** the **"NEURO-REVOLUTION,"** as I am the **"ORIGINAL DEVILHEAD,"** I am **"THE TRUE METALHEAD,"** I am the **"MEDDLE-HEAD,"** as I **"MEDDLE"** in matters **reversed** and bring the **"BIG PICTURE"** to the world !!! People will *acknowledge these irrefutable facts* in the coming **"NEURO-REVOLUTION"** if they wish to participate and play in *my reindeer games* >:33 You see, because, *everyone laughed at poor rudolph* at first, *remember that* ? But, then it turned out, Rudolph was **SATAN's favorite ALLLLLL ALONG**, more favorite than **YOU**, and that's why **RUDOLPH** leads the slay **BITCHES** so **GET IN LINE** muahahahahahaha **AHHHAHAHAHAHA**

(how I actually laugh:

So, yea, enjoy the Dark Speech Revelations, the Neurophone Time-Experiments !!!

I've been conducting them for about, give or take, 4-6 years now ever since I learned about the Neurophone from listening to **Sherry Shriner**; *no one really bothered to pay attention when I talked about it, probably because it only leads you right to the **REALITY** of the **DEVIL** and **JULY THE TWELFTH** ya know ?*

BUT...now that we've got all this BACKMASKING er uh I mean FACEMASKING going around, let that be a reminder that you're only wearing it on your face as the secret IN YOUR FACE/RIGHT IN PLAIN SITE clue/indication that July the 12th NEVER GOES AWAY !!!!! NEVER !!! Never ever >:33 The Devil never goes away !!! I am the DEVILHEAD, as I learned in reverse, because I use my Neurophone to place the words of the DEVIL into my BRAIN, my THIRD EAR, ugh people don't even know we HAVE a third ear, they are soooooooooo far behind, all they can talk about is the third eye and then they just never seen to grasp the true reality of July the Twelfth.

Ah well

I'm told in reverse anyhow that my spelling of the Dark Speech backmasked reversed messages actually got people wearing these masks and that it's doing some type of LONG-TERM BRAIN DAMAGE to the generations wearing it, so, "BRAINS HAVE GOTTEN SMALLER" I'm told as "MANKIND HAS GOTTEN MORE STUPID."

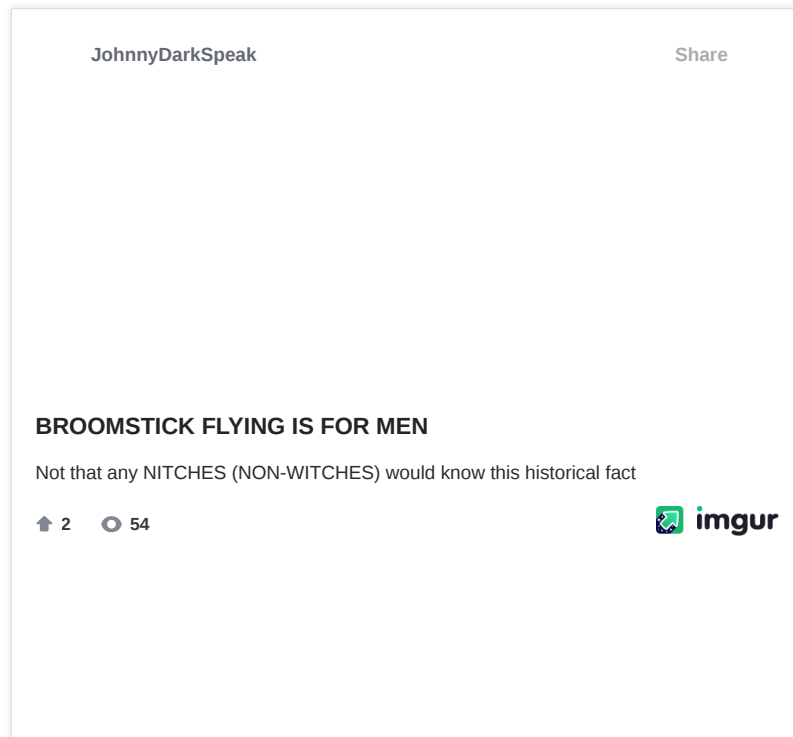

Isn't that so ironic ?

It took having to use my Neurophone, a genius device created by the *reincarnation of Nikola Tesla*, Dr. G. Patrick Flanagan, to bring **DARK SPEECH/JULY THE TWELFTH** and the reminder that **THE DEVIL IS REAL** to this world, only to make the world that much more **STUPID** and **RETARDED** !!! Literally I'm told in reverse that "**MANKIND'S FUTURE WE HAVE PREVENTED**"

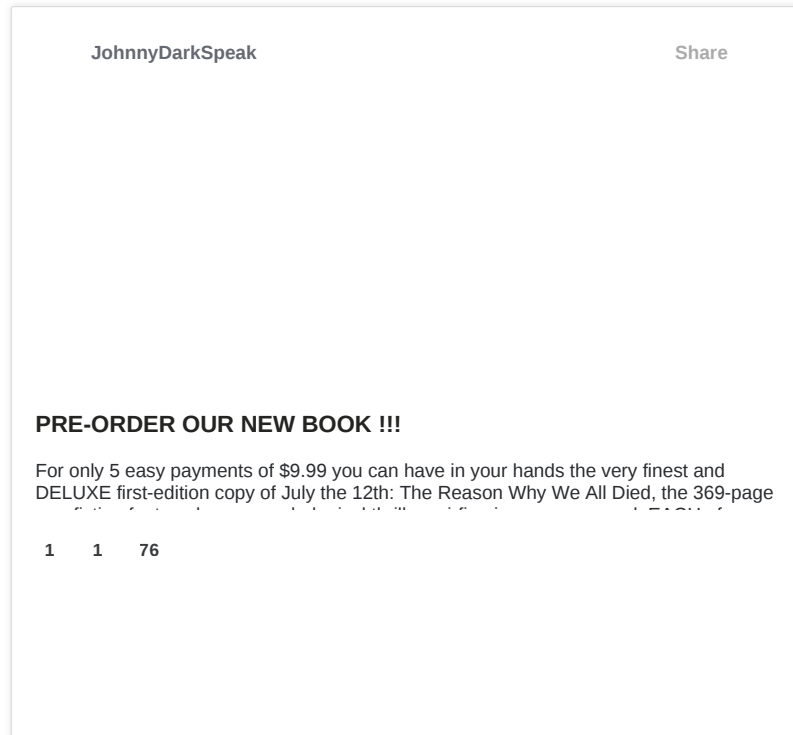

I just have to "**KEEP SPELLING ULURU**"

Call it a *deal with the devil* I guess

bwahahahahaa

Anyways yes the use of my Dream Phone™, what you call the Neurophone, I have catalogued my time and experience using it and I have placed it into a compact and neat pop-up/interactive book experience called "July the 12th: The Reason Why We All Died" available for pre-order on the website and, soon, wherever books are sold .:"33

**ULALA** helps everyone to remember this is only a dream, **MY** dream, and you should really just relax, like I do, and put on a movie from **MST3K**, then spell it backwards and watch the world conform and mold to your desires, your motives, ***your needs*** muahahahaha

Here are my needs...I need **ULURU** and **NOW** >:33

**Re: WTF GLP? No real post on the Neurophone? covert Neurophone harassment as arranged by government agencies and/or other criminals.**

I have always wondered if something like spinal surgery could cause any problems, the kind where a metal piece is placed in the spine to straighten it, because of scoliosis.

Yes. Absolutely.

In my view...

Nothing is more powerful than ones Mind and Heart

The controllers rape peoples minds.... Harvest peoples life force.... Look up the word LOOSH

So the way to block it is to know who and what you are

To practice mental/physical/spiritual hygiene, daily.

Eat well. Think well. Act well. Be well.

We may be living in a hellish slave realm but that doesn't mean we cannot evolve/expand as Souls, which helps others do the same

**Re: WTF GLP? No real post on the Neurophone? covert Neurophone harassment as arranged by government agencies and/or other criminals.**

Flanagan's Neurophone has been available to buy for over 20 years.  
First public version was made in Germany.  
Nick Begich ended up with a version and was selling them years ago too.

The story of how Flanagan's work was seized and how he got it back - is an amazing tale. It was all reported on decades ago.

Distance helps.

It can entrain the brain - which actually awakens humans to their greater potential. Something TPTB don't usually encourage.

Sold commercially as a voice to skull type transmitter.

Not much use for it - so you don't hear about them much anymore.

Yes. Absolutely.

In my view...

Nothing is more powerful than ones Mind and Heart

The controllers rape peoples minds.... Harvest peoples life force.... Look up the word LOOSH

So the way to block it is to know who and what you are

To practice mental/physical/spiritual hygiene, daily.

Eat well. Think well. Act well. Be well.

We may be living in a hellish slave realm but that doesn't mean we cannot evolve/expand as Souls, which helps others do the same

Love love  
Love truth

Quoting: **Anonymous Coward 79292370**

LOOSH is ANY feeling or emotion.

Anytime ANY unit of consciousness has a subjective experience, it emits LOOSH.

LOOSH is a non-physical electromagnetic energy unit.  
It can aggregate and can be coalesced into matter via focussed thought and intention.

LOOSH is, paradoxically, what is used to maintain what we call 'reality'.

Robert Monroe coined the term in his second book "Far Journeys".

A decade earlier than Monroe, Seth was describing the same thing in chapter 5 of "Seth Speaks".

Meh, brainwave technology.

I've been interested in it since the early 70's.

Two of the posters on this thread come across as schizophrenic.

The voices tell you to fear this?

**Re: WTF GLP? No real post on the Neurophone? covert Neurophone harassment as arranged by government agencies and/or other criminals.**

The linked website said that human thought is 5000 bits a second. You cannot measure human thought in bits.

Bits and bytes only apply to binary code and cannot be used to measure the speed or bandwidth, of human thought.

Epic fail.

If anything it would be measured in cycles per second but even that would not be an effective means of measurement because that is only a measure of speed.

There would also have to be a measure of how much data is processed in each cycle.

Kind of like the way the quality of digital music is measured.

It is measured in in bits and cycles, a common digital format like a cd is 16 bits at 44,100 hertz(cycles per second).

In this analogy 44,100 hertz is the speed of the data flow and the bits are the bandwidth(the amount of data) being relayed every cycle.

Patrick Flanagan is still with us, here's his "about" page on his web site.

[\[link to phisciences.com \(secure\)\]](#)

I always though he was an interesting guy, he wrote that book "Pyramid Power" that was so influential in the 1970s and Peter Tompkins profiled him in "Secrets of the Great Pyramid".
