And who co-opted it?

Soviet intelligence aka KGB studied them for decades

It is indeed a low budget thing, even free if you can turn people into Useful Idiots (Russian terminology) like unpaid volunteers

I see many Useful Idiots talking about how the West is now "Communist" and Russia now is on a Holy Mission against "The Satanist"

Re: USA uses Intelligence. Russia uses Magick

USA outsmarted NPC's anyway..

Small result, see Haiti

Gray Barke, of the Saucerian Press, summarizes the messages of Ashtar:

"They all, without exception, warn of impending disaster if Mankind does not adopt a more tolerant and understanding attitude among nations and peoples, and cease the Hydrogen bomb and armament race."

"They also play a very important role in preserving the United States from extinction by warring forces that are soon to attack its shores. That only by this Divine Intervention will the enemy be driven, and that the destiny of the United States will be assured as the example that will be set as Christ returns, and that this Nation will serve Mankind until the End Time when the Physical Universe is no longer needed and is dissolved back into its Ethereal form."

Ashtar also represents one of countless Hosts similar to those who manifested in the times of Isaiah and slew thousands of Philistines in the preservation of the Israelites. The history of the dawn of Man records countless manifestations of these Herald Angels."

"An edict from the Spiritual Elohim has enforced these decisions. We act or cease to act, only upon the authority of the Highest Spiritual level of the Solar System. Therefore, in view of the new policy in the action of the Guardians, we are advising you that the severest upheavals are drawing closer each day. International policies and world decisions have brought about a 'hands off' position in our surveillance of the Planet. We are no longer permitted to stern the tide in the face of International manipulation. Let the deeds of the Warlords come down upon their own heads, for in time, those that are to be lifted away will be lifted away, and what is to be, will be. The maudlin, indifferent mass of Humanity has not cared to change their World for the better, but rather, have yielded their resistance to oppression. Where are the great voices to be raised in favor of freedom and peace! Where are the orators of democracy and man's inalienable rights?"

He has also told this messenger:

"Cleansing is unavoidable. Change is inevitable. Wherever there is progress, there has been change. In the New Age of Enlightenment, purity shall prevail."
