**Re: THE ONE SEEKS THE ONE RING**

That movie The Ring is creepy and I don't like most horror films, but I like that one. Rotted drain hair. Pure evil. If I was Naomi in that flick I would have saved the girl as well. She could send images! Who wouldn't get a poor little girl long forgotten in that deep dark pit. But she had to get wet and all the way down into that well to swim with her.

Yeah, it can all be scary until you shed your fear.

The universe can throw some shit your way.

They almost feed off your fear or laugh with it.

The best way to deal with it is to shed all fear and just be.

It's quite simple.

Most dont draw close to God anymore.

He chose to brave the waters and drew very close.

God liked it.

Now you all serve him.
