When Megatron dethroned Abraham Lincoln do you think that was a way of telling you Metatron (Hebrew angel in Talmud) would try to dethrone USA?

Transformers inventor Henry Orenstein was jewish: jewishexponent.com/2021/12/16/tra...

By the way, Metatron (Megatron) was one of the traces for the presence of dualistic proclivities. Transformers have two forms.

If you can not see twitter links, essentially it shows a gif of one plot line in Transformers where Megatron seeks to overthrow the USA government - with a few interesting connections between Megatron / Metatron and the inventor of Transformers.

Metatron is an archangel, said to be most powerful, assigned to Virgos, and stem from "H" brew mythology. That's all I know!

Speaking of old cartoons: "Interesting plot line in the 1987 G.I. Joe movie about an advanced civilization in the Himalayas who tamper with genetics and seek to enslave humanity. They believe themselves the elite and true rulers of the planet."

Maybe the inventors of these cartoons were forewarning of things to come.

Did you know the inventor of G.I. Joe was also jewish? Kids in the 80's have a lot of interesting memories courtesy of Cobra Commander, Serpantor & Golobulus. [haaretz.com/jewish/2014-05](https://www.haaretz.com/jewish/2014-05) ...

Re: Metatron / Megatron - More than meets the eye

I'm finding GLP tonight to be all askew. Upside down. Inside out. (Boy you turn me all around, or however that song went!)

So!

Why would OP present Metatron as negative? His mytholgy says he purges negativity away from you...

Blessing of Archangel Metatron ✨ Negative ...

The music above is lovely!
Archangel Metatron: The Prince of Presence [Book of Enoch] (Angels & Demons Explained)

Archangel Metatron: The Prince of Presence [...]

Archangel Metatron is not often seen as one of the mainstay Archangels, but in apocryphal books such as 3 Enoch, he is considered to be one of the most prominent angels - if not the most prominent angel who has the likes of Archangel Michael and Gabriel bowing before him.

No, it's social impact entertainment. They seed these ideas in kids so that when they realise what the actual fuck is going on, they revert back to the childlike reaction from hearing the situation the first time in a cartoon and understand the stakes.

If it's on TV, it's designed to brainwash you:

Re: Metatron / Megatron - More than meets the eye

Megatron? never heard, maybe you mean Magneto?

For say did Shelley nicked half of my great in name from GLP?

*"Two vast and trunkless legs of stone
 Stand in the desert . . . Near them, on the sand,
 Half sunk, a shattered visage lies, whose frown,
 And wrinkled lip, and sneer of cold command,
 Tell that its sculptor well those passions read
 Which yet survive, stamped on these lifeless things,
 The hand that mocked them, and the heart that fed:
 And on the pedestal these words appear:*

'My name is Ozymandias, king of kings:

Look on my works, ye Mighty, and despair!
 Nothing beside remains. Round the decay
 Of that colossal wreck, boundless and bare
 The lone and level sands stretch far away." - Percy Bysshe Shelley 1792-1822

SPEECH OF ANI. The Osiris Ani, whose word is truth, saith:- I am a perfect soul dwelling in the divine egg of the Abtu Fish. I am the Great Cat which dwelleth in the Seat of Truth, wherein the god [Ye]Shu[a] riseth.

SPEECH OF THE USHABTI FIGURE [THE CHAPTER OF NOT DOING WORK IN KHERT- NETER]. Illumine the Osiris Ani, whose word is truth. Hail, Shabti Figure! If the Osiris Ani be decreed to do any of the work which is to be done in Khert-Neter, let everything which standeth in the way be removed from him whether it be to plough the fields, or to fill the channels with water, or to carry sand from the East to the West. The Shabti Figure replieth: **I will do it, verily I am here when thou callest.** - Adoration of Re, Egyptian Book Of The Dead

And I saw heaven opened, and behold, a white horse. And he [Sabaoth the Lord of hosts and heaven armies] who was sitting upon it [Archangel 'Chief Sitting Bull & Hitler' Michael the Sovereign LORD] was called Faithful and True. And with justice does he judge and fight.

And his eyes are like a flame of fire, and on his head are many diadems, having a name written, which no one knows except himself.

And he was clothed with a vestment sprinkled with blood. And his name is called: THE WORD OF GOD.

And the armies that are in heaven were following him on white horses, clothed in fine linen, white and clean.

"And out of his [Archistrateger 'Sitting Bull & Hitler' Michael the Sovereign LORD] mouth goeth a sharp sword, that with it he [Sabaoth the Lord of Spirits] should smite the nations: and he [Lord Jesus] shall rule them with a rod of iron: and he [Elijah the prophet] treadeth the winepress of the fierceness and wrath of Almighty God."

And he has on his garment and on his thigh written: **KING OF KINGS** AND LORD OF LORDS. - Revelation 19:11-16

Yes.

They're reminding us there's a stealth war going on.

Energon cubes = loosh.

The All Spark is the God Spark that's trapped in this complex.

The 5-to-1 combining-Transformers are a reminder to work together.

Metatron's cube.

But Im still reeling from that Family Guy clip. lol.
