who are they talking about?....

Luc1s Trust - 2025 Forward

2025 is a Jubilee year in the Christian and J calendar that is also the focus of prophecy. The ageless wisdom suggests that in the 25th year of every century there is a gathering on the subtle planes of all Masters, Saints, Rishis and Enlightened Beings, and over time this is followed by significant changes in humanity. Because of the growth of soul values (the sense of synthesis, the inclusive spirit, and the rejection of separateness by people of intelligent goodwill) there are grounds for expecting the worlds of soul and of outer human living to be increasingly aligned in the years and decades following 2025. This might mean people who have achieved some measure of spiritual enlightenment emerging as leaders in all manner of human affairs, uniting the hundreds of thousands of world servers from every part of the

planet, initiating a renaissance in global culture and civilization. Prophecy even suggests the emergence, at some undefined time, of a Christ-like figure recognized by people of spiritual inclination in all faiths.

"People of goodwill" is the Lucis Trusts' Tourette-like trademark expression for "fellow Satanists". They can't stop using it. It's in all their texts. I've researched these bastards (they run the United Nations' "meditation room") in the past...

Lucifer just means light bearer.

If we get on a good timeline, 2025 might be the start of a true global renaissance.

Thanks for sharing! I know alice bailey had a thing about 2025...

The "2025 Initiative: Preparing the Way" coordination group bases its vision of the current world situation on the Ageless Wisdom Teachings as described primarily in the writings of Alice Bailey. A key concept is the understanding that the world is now moving through a crisis of a major transformation leading to a future time in which old patterns of man's inhumanity to man and to other kingdoms of life on our planet will be replaced by a better and more just and loving system of global inter-relationship and partnership.

Source: [\[link to www.2025initiative.org\(secure\)\]](http://www.2025initiative.org(secure))

She is also referenced in Lucis trust:

[\[link to www.lucistrust.org\(secure\)\]](http://www.lucistrust.org(secure))

And also had a '10 point plan' which we surely seem to be forming now despite it was written years ago.

The 10 Point Charter by Alice Bailey is as follows:

TAKE GOD AND PRAYER OUT OF THE EDUCATION SYSTEM
REDUCE PARENTAL AUTHORITY OVER THE CHILDREN
DESTROY THE JUDEO-CHRISTIAN FAMILY STRUCTURE OR THE TRADITIONAL
CHRISTIAN FAMILY STRUCTURE
IF SEX IS FREE, THEN MAKE ABORTION LEGAL AND MAKE IT EASY
MAKE DIVORCE EASY AND LEGAL, FREE PEOPLE FROM THE CONCEPT OF

MARRIAGE FOR LIFE
MAKE HOMOSEXUALITY AN ALTERNATIVE LIFESTYLE
DEBASE ART, MAKE IT RUN MAD
USE MEDIA TO PROMOTE AND CHANGE MINDSETS
CREATE AN INTERFAITH MOVEMENT
GET GOVERNMENTS TO MAKE ALL THESE LAW AND GET THE CHURCH TO ENDORSE
THESE CHANGES.

Youve got to be kidding me? You trust all those in power right now? After all that has happened these last 2 years? I personally think they will fake a collapse of the illuminati to make it 'appear' good has triumphed only to put in place the AC. A great deception.

That theory is further explored here:

- A Renaissance will come from the grassroots. Open source microfinance software.
- No, I do not trust those in power.
- The last two years shows they are completely untrustworthy. What has that got to do with the Archetype of Lucifer, the Light-bearer?
- It's possible they will fake a collapse, or there could be a real one. hard to tell.

No one cares what the European chattering classes do, say, or think.

If this world improves, it will come from honest, simple, men and women improving the farming,. infrastructure and microfinance systems. That takes hard, quiet work.

Hence why Im on the net at 1:30am Sunday morning.

There will be no Dramatic Public Showdown between a Sodomite Anti-Christ Vs Sodomite Christ.

The outcome will be decided by who outworks the other.

Learning Chinese right now.

Whitey (with some honourable exceptions) is a gum-flapping, deceitful, treacherous know-it-all.

Then you clearly ain't paying attention. I see you blanket term 'whitey' so can only presume you're some kind of racist? You are playing right into their hands. Racial divide and welcoming

of some saviour who you want to be anyone but Jesus judging by your previous posts. I find it ironic that as your final insult you mock 'Whitney's' for being a know it all but completely seem to miss that every asset has been seized and is under control of the Illuminati - food money, farm land, technology - the lot and that they're just going to have that over after 100' of years of working up to this point to steal it off us. Worse yet, you glorify the deity that's done it and still think he's your friend.
