If you can see, you will be marked as a threat and tortured.

Best to keep these things to yourself.

They've already attempted to ruin my reputation and take my sanity.

They have all the resources in the world.

"If you can't beat them, join them."

Sorry, I'm a follower of Christ.

I will likely be tormented until the day I take my last breath.

They owe the Pindar/ Devil whichever you prefer, which is, why they sell torment and sell others into slavery.

Our ancestors made a deal with inter-dimensional entities (I call them demons)

And they expect their children to pay the piper.

They sold us down the river too far.

The English language is a demonic curse. If you haven't figured this out by now, then you heard it here first.

There isn't a being ever created by God in the history of creation who hates humanity more than Satan. None, zero. You won't find another with the amount of hate and contempt in his heart toward us.

Satan is the father of lies, there is nothing good in him. His entire goal and reason for existence is to send you and as many souls to hell as possible and then on to the Lake of Fire through deceiving human beings (who were all created in God's image) regarding the immeasurable love that God holds for each and every one of us and the way to Him which is Jesus Christ and what He did for us all on the cross.

The saddest part of your statement above is thinking God is absent, He's ever present and His spirit permeates all of His creation, you've simply chosen not to hear Him or tap into Him. Not sure how people go through this life never reaching out or seeking God, it's incredible to me and so very sad that people choose to ignore the only source of life, peace, and happiness which is God Himself.

Since you're fluent in both language and a non-believer it sounds like you simply don't have the gift of discernment that can only be obtained through faith.

Lower level cult members don't even realize that Freemasons with their seemingly satanic rituals that they don't like people to know about, are Satanic cults because they are gullible suckers. Hence why they aren't allowed to tell others.
