Re: The most striking thing about the Anomaly is his sadness

the most striking thing is how he has no money.

that is how much you value him. if he has no value, why are you talking about him?

Jesus was a man of sorrows.

He won't always be poor. I speculate at some point he may become the wealthiest man on the planet. I heard from a little bird he's studying the sacred science that's been used to extract wealth from the financial markets. Might just be a matter of time now....

A short man with a stretched out asshole.

Sat around bawling like a bitch because his older wife (beard companion) couldn't even stand him.

He sounds like King Charles' psychic brother across the pond.

Nasty.

Re: The most striking thing about the Anomaly is his sadness

people used to recommend this band to me but I never got into them for some reason

what a mistake that was

Born in winter is a fantastic song. Gojira has some pretty good stuff. Some of the music they make is really boring and tedious though. I like the art of dying. It's a good album.

Quoting: **Guv'nor**

I haven't heard any of their albums just random songs that get thrown at me by the youtube algorithm. The few songs I've heard I really like, but yeah it took me a while to warm up to them

This song below really caught my attention

I will check out the album you mentioned

I have already written before that I cannot write about my case because it will be dangerous for the readers. If I need to write anything, I will.

Quoting: **Tomeko**

I wrote earlier because it was possible to help. currently such assistance is not possible. If I had to write, I would write to temples first.

Quoting: **Tomeko**

if someone writes something about me here, it doesn't matter for me because compared to the case, it's like 1% to 100%.

Quoting: **Tomeko**

That IS how these threads tend to work, so every post should be taken with a grain of salt. There are a few people every now and then that do know what they're talking about.

I speculate that the "A" is the no body that made THEM an offer they couldn't refuse. I know who that person was and what the offer was that they made so I'm speculating on that individual but I fully accept that I may be wrong and perhaps I speculate on a different player in the game right now

It became a banned topic which I think turned into this when the N became a banned word. I've heard people say it's 2 different people, a man and a woman, but I think a majority of people are referring to HIM when they talk about it. He made them an offer to repent and come clean before everything is exposed, which they refused and have been getting exposed this whole time. Their punishment is said to be worse than death.
