Re: Many people are now having dreams of not going to make it to Heaven

I'm sure that many of you somewhere thought that you were quite ok, not a bad person. But now people will dream of why they are not, and why they wont make it to Heaven.

Its because you are small and young compared to the big boys and girls that will make it to Heaven. What is "up" to you is not "up" to them and thats why you dont want to live with them in Heaven or on Earth because you cannot be who you want to be.

This is where we collectively are in our hearts right now.

Re: Many people are now having dreams of not going to make it to Heaven

Ignore OP. There is more going on right now then what OP is claiming, which is just to keep you feeling separate from God - who is always with us in our heart. OP is just peddling bullshit trying to keep us in fear and worry, which seems more demonic than goodness.

Sometimes you can feel the energy and intent from the text - OP's same old bs claims are to fuel her narcissism and sense of grandeur. There is more to it than this, but hard to explain and not worth it.

We will all make it. Believe in the source of love and goodness, God's love is beyond anything that human minds can comprehend. We are all connected through God. OP is still stuck in ego based judgments of who is "worthy" - get out of here with that nonsense and narcissistic bullshit

Win the argument in Heaven before God and you got me.

Until then, people will have dreams of going to Hell even when they want to live and want to be good. Because the truth is, most people dont want to live and dont want to be good. And they want to live in denial to hold on to their way of life for as long as possible.

And that is why i made this thread, **to share the truth that most dont want to live with.**

I'm not a Mormon, but do You believe that hell lasts forever ? an example...

"others have also recently made appeals for Mormon Universalism, but based on different arguments.

[FN2] The "Piano Model" is also closer to the model of grace currently being promoted by Adam Miller and as recently explained by Pres. Uchtdorf's General Conference talk on grace. It also moves Mormonism rhetoric and theology on grace closer to Evangelical Protestantism than what I had understood (and

taught) as a missionary more than a decade ago...

*[FN3] Note that this says "more comfortable." **According to this model, individuals are not "assigned" a Kingdom of Glory in the afterlife, but rather they choose which one they'd like to go to based on where they feel most comfortable.***

"The answer to me is very simple. God sends people to outer darkness because they cannot abide in His light. But when we accept the sacrifice of Christ and take it into ourselves and we believe it to be sufficient (Important! We have to believe for a reason.) We are cleansed from all unrighteousness, and our belief releases our minds from the bondage of our sin. Then we can abide in His presence. Heaven and hell have never been about the everlasting, pure state of God, but the state of our selves, while in His presence; Either in the acceptance of His atonement or the condemnation of ourselves by our unbelief.

God shows His love for those who cannot abide in His presence by sending them out of His presence."

You had a rapture dream - where you missed it?

Take it as a warning. Change.

It happens at 4:10. Pretty dramatic.

For those who don't believe. You are considered unbelievers. Ok. You will have to deal with whatever repercussions that entails.

OP, in another thread, you informed me I would not be making it to heaven.

Is that correct?
