Hey, Kriss Kross and your entire Network, can you swear against this?

You are incompetent, parasitic child-molesters who are a danger to all of Creation. You've been asked to stand down, communicate, and fix the mess you made, but you refuse to, and do nothing but mock the people in the SIM.

You therefore agree to be annihilated, arrested, imprisoned, and erased from all Creation.

Deleting this thread will be taken as obstruction of mediation, and obstruction of the course of justice.

To agree in full to the sentence, simply delete this thread.

You have to use the person's **True Name to be legit.**

This is why in ancient times you never told anyone your true name.

You're lying, 373.

I've done over plenty of people with handles alone. How many times have I driven you off this board?

True names help, but they're not essential.
