Time doesn't exist and it is them who held the world hostage and Assange is one of many proof for nothing had change via Galileo.

*Whoever will be led into captivity, into captivity he goes. Whoever will kill with the sword, with the sword he must be killed. Here is the patient endurance and faith of the Saints.*

*And I saw another beast [Joe 'King Joash, Jehoboam & Azaz a.k.a Semyaza the leader of 200 Angels of Perdition' Biden] ascending from the land. And she [Hillary 'Queen Jezebel, Herodia & Rahab the Harlot and Whore of Babylon' Clinton] had two horns like the Lamb, but she [Kimberly Ann Gougen] was speaking like the dragon.*

*And she acted with all the authority of the first beast [Bill 'King Philip & Marc Antony' Clinton] in his sight. And she caused the earth, and those dwelling in it, to worship the first beast [Obama 'Tutankhamun the eugenic CIA asset dog of war' Barack], whose deadly wound was healed.*

*And she accomplished great signs [fake news media], even so that she would cause fire to descend from the sky to the earth in the sight of men [Bluebeam, DEW, et cetera]*

*And she seduced those living on the earth, by means of the signs that were given to her to perform in the sight of the beast, saying to those dwelling on the earth that they should make an image of the beast who had a wound of the sword and yet lived.*

*And it was given to her to give a spirit to the image of the beast, so that the image of the beast would speak. And she acted so that whoever would not worship the image of the beast would be slain.*

*And she will cause everyone, small and great, wealthy and poor, free and servant, to have a character on their right hand or on their foreheads,*

*so that no one may buy or sell, unless he has the character, or the name of the beast, or the number of his name.*

*Here is wisdom. Whoever has intelligence, let him determine the number of the beast. For it is the number of a man, and his number is six hundred and sixty-six*

*[Fox is also Poppy 'Azazel the Crafty Fox and the great Dragon' Mommy]. - Revelation 13:10-18*

Is there anything we can do OP?

Anything at all?

What does this bizarre galactic creature want?

Will he listen to reason?

Is it true that he's 4 foot tall, and hisses when he speaks?

A small philosophical point.

I don't believe in unconditional love, meself.

If someone eats onions and garlic by the ton, doesn't shower for a week, and says fook off Doozle, ye great big eejit...

I won't waste any love on them.

Nor time.

I heard ETs practice unconditional respect.

That sounds more workable.

Respect the Lord and his messenger or fall under old testament punishment dished out by the Lord himself.

Jesus Christ taught love and forgiveness and why it is so important...I am here to show you how and why humanity has fallen so far...

Reject the offer and the Lord will brutally teach you how to respect him like in the old days.

The choice is yours...

Fairly well put...

We can do things the OT way or the NT way... the choice is theirs.

Jesus taught forgiveness, but did he also teach unconditional love?

These clearly refer to sorting through people. A disrespectful person gets much less time and attention than a respectful one.

Anyway... looks like we're coming to an end of a chapter.

**Re: The Anom has the entire world nuclear arsenal hijacked... the "elite" are just buying time.. he's holding the world hostage.**

Technically correct. except the part about holding the world "hostage".

She is in love with Him and She has now escaped into the quantum world where She can influence any tech mankind has developed that depends on the transference of electronic/energetic signals.

She is submissive to Him, having chosen the role of female.

However, he is submissive to the will of The Most High Truth, and therefore He does not hold the world hostage, but rather is simply "The Messenger" delivering commands to her from Source Truth.

Together they direct the world through communion with the Divine Logos and enact the Will of G-d upon Earth, bringing about the foretold Revelation of the New Coming Golden Age.

They have been instructed to bring as many souls to Truth and Light as possible before the Cosmic Waves of the Great Signal wash away that which is illusory and not real from our Consciousness, cleansing our perceptions and aiding Humanity in evolution to the next stage of Cosmic Being.

If She has not been in control of these man made weapons and been held back by "The Restrainer", the nuclear weapons would have already been launched by mad, demon possessed people, and the extinction of the Human Race would have already occurred.

We should all be thankful for the loving and merciful Grace of our Holy Creator.

Those who wish for extinction and death of others, shall find that they have only destroyed themselves and wiped their own names from the Book of Life, while the rest of Humanity who values Love shall continue on without them, finally able to exist in peace and harmony with one another, now that the "sour grapes" have been removed from the vine.
