Does lying to yourself make you feel better? Good for you.

But in case you didnt know, its only temporarily. Where we end up in eternity is forever.

Do you work for Heeren Loo, with Dan Starman?

Re: Many people are now having dreams of not going to make it to Heaven

Are those rapture dreams, where they find themselves going up but then look back to see what's happening on the earth or look around for loved ones and then find themselves going back down again? If so, I've heard of people having those kind of dreams. My take on it? Not

that they won't make it to heaven, just that they won't be taken in the rapture and might have to go through the tribulation.

That's because most Protestants don't confess their sins like Roman Catholics. Go to a RC Church & few there go to confession anymore. Without a priest a perfect act of contrition is required for a chance to go to heaven.

Re: Many people are now having dreams of not going to make it to Heaven

One time about 1 1/2 years ago - when I was awakening from the sleeping state, I was still groggy and in the sleep frequency - someone asked me - I will lead you back to heaven if that is where you want to go, I said, Yes, lead me back to heaven, that is where i want to go"

I am now living in a different town in my state, He also told me - I must journey - so I guess this is the first stop on my journey. I am excited about where He is taking me too.

Heaven to me - is a state of mind - we grow to heaven by our actions and by telling the truth at all times, living like an ascetic, no more alcohol or drugs, no more tv, nothing to distract our mind from the truth.

The truth of the world is it will always be there with all kinds of people that want to control us, if we get out of that way of thinking, then who are they controlling then, not me.

Hell is also a state of mind - we dig our way through our own personal hell by our actions. Hell can become Holy for us, because of the things that we suffer, when we turn it within, then we will see that it is only from our actions that we started living in hell.

Once we get these two states of mind down pat, then forgiveness becomes easier and easier. We are only forgiving ourself and meeting ourself in everyone else.

An acquaintance of mine recently committed suicide. Guy had it all - successful business, money, pretty wife, loving kids. Doesn't make sense unless it had something to do with the jab?

I always suspect murder first. It can be made to look like a suicide. After that is ruled out I then suspect an accident, like a gun accidentally went off and killed him. Always give them the benefit of the doubt unless it can be completely proven it really was suicide.

I'm sure that many of you somewhere thought that you were quite ok, not a bad person. But now people will dream of why they are not, and why they wont make it to Heaven.

Its because you are small and young compared to the big boys and girls that will make it to Heaven. What is "up" to you is not "up" to them and thats why you dont want to live with them in Heaven or on Earth because you cannot be who you want to be.

my opinion - when i turned within - which i think you have done - that is when the magick starts. we need to wake up each day and sin no more. just do it one day at a time. one thing i use to do when i first got sober, i got on my knees and prayed to god to take away all of my character defects, told Him i am a sinner, and i don't want to sin anymore. I did this for about 3 years or so. I also said and say a lot of affirmations to keep my mind going in the right direction.

Re: Many people are now having dreams of not going to make it to Heaven

When I was 4 years old, I was walking down the street and I found myself, saying out loud, "I'm really here! I'm really HERE!!" Why I thought that was so profound, I don't know. But, suddenly I experienced Life as a Dream, a Lucid Dream, and I was the Dreamer. It was like I went from being an actor on a stage lost in the part, to being in the audience. I thought about telling my parents but I knew it would be a waste of time. They thought Life was REAL. -- My first experience of Truth

About 25 years later, I had the same experience. A friend of mine dropped by with some coke and good bud. We smoked it, then just sat outside in the evening just meditating in silence. I was unbelievably relaxed. I felt myself float out of my body and I Awoke in the Dream of Life again. Just like having a lucid dream where you wake up...half way, and know you can make anything happen in the Dream. I was a musician at that time and hoped to play Oakland Coliseum one day. I knew I could make that happen! But, I was afraid of what I might become to do that...timidly, I came down and back into my body. (I never played in Oakland Coliseum...) -- AA

"Do not pay undue attention to the passing scenes of life. You are the immortal self (consciousness) living only temporarily in a dream that is sometimes (imagined) to be a nightmare. That is the higher philosophy (and truth) of the mystics." -- Yogananda

"The soul is undergoing a dream from which it must awake. This dream represents our association and identification with the world. The fact that it is described as being a dream means that whatever is in it has to be false. Nothing in a dream can be true. Waking up from that dream is the ultimate goal, Self-realization." -- The main theme of "Yoga Vasistha"

It took till page 4 for this response to appear out of all this gobbledygook, I'll kick your ass in heaven, lord this place sounds like a bunch of kindergarteners lol!
 For mentally healthy beings remember this- if you have to explain being nice and decent to others, you are dealing with a narcissist. That's glp in a nutsack I guess!

Make of it whatever you want. You think i'm a pedophile because of what you read in this thread? Fine by me.

- You're Dutch. 70% of child prn is hosted in Holland.
- There's a clear attempt to deceive and manipulate in this thread.
- You won't deny any of the charges under penalty of perjury, so your word is Null and Void.
- This simulation is partially run from a Special Needs institute in Holland, named Heeren Loo.
- You come off like you're fronting for the fake astral heaven, which is currently being dismantled. Many have called you out on this.
- The one you call 'God' is one of the leaders in this fake heaven. known to many as King Annu. His name is banned on GLP, and threads about him get deleted very quickly. One of his avatars in this world, is a murderous pedophile who calls himself Dan Starman.

So you're not contesting the accusations under penalty of perjury?

That's full agreement under commercial law. I hope your sentence gets carried out swiftly.

You're an unwelcome parasite in this reality.
