SHAMANS ARE WITCH DOCTORS

JESUS CHRIST IS NOT A WITCH DOCTOR

Quoting: **Anonymous Coward 84314613**

open your mind fool

Jesus healed people by laying his hands on them, he manifested food out of thin air, and he healed himself from wounds which would be have been fatal to any other normal human

sounds like a witch doctor to me, if you can open your mind enough to realize that some witch doctors are actually good and it is only in the foolish closed minds of a few where the illusion exists that all witch doctors are bad

#### Re: Your True Form Is Not Of The Flesh

Even Jesus died for 3 days.

Quoting: **Anonymous Coward 80573488**

difference between death and a Near Death Experience:

death you don't come back!!!!

NDE you do come back!!!!

did Jesus not come back, or did he come back after being crucified? he came back!!! therefore he didn't die, he had a NDE

wake up already

Quoting: **Anonymous Coward 83857929**

The Bible speaks of something else. The metaphor we are talking about here is about human beings being born with 'two bodies'. One fleshly and one as spirit (I am stating the biblical narrative here). **Only those who lose the carnal illusion can know the spirit reality.**

That's because you can't be limited and unlimited at the same time. free and bound. Conditional and unconditional.

This happens logically while man is alive, because the so-called rebirth leads to the realization that the carnal is already spirit. **It cannot be otherwise because the reality is already the reality** - even if this reality is not recognized because one believes to be in a material world as an entity.

**So there is no actual transformation, only a recognition of reality.**

Jesus speaks of the fact that not only God is spirit, but that everything is spirit and that one is one with God when one recognizes one's own absolute being and thus leaves the imagined limitedness of the individual.

The "I" is of course absent in this. It has therefore absolutely nothing to do with experiences that the person perceives.

So it looks quite as if it is you who is fast asleep.

JESUS CHRIST DID HEAL

NOT BY USING WITCH CRAFT

A WITCH DOCTOR GETS THEIR POWER FROM SATAN

JESUS CHRIST GOT HIS POWER AND AUTHORITY FROM THE FATHER IN HEAVEN

IT'S OK THAT YOU DON'T KNOW THAT

HOW COULD YOU

MY COUSIN LISTENED TO A SHAMAN

HE'S DEAD

THAT'S THE DIFFERENCE BETWEEN A SHAMAN AKA WITCH DOCTOR THE  
AUTHOR OF DEATH

AND JESUS CHRIST THE AUTHOR OF LIFE EVERLASTING

THE FIRST THING SATAN TOLD ADAM AND EVE IN THE GARDEN OF EDEN  
WAS

OPEN YOUR MIND

AND HE HAS BEEN DOING IT EVER SINCE

HAVE A NICE DAY

if there is no transformation, why do sleepers have blocked/closed chakras and  
enlightened people have fully activated chakras?

and how are there 'two bodies' when the physical body completely depends upon  
the chakras/energy body before it can even manifest in this world?

you trying to say the physical body and energy body are two different bodies is  
like trying to say the engine of the car is different from the frame, both of them rely  
on each other to be a car that works, right? wake up already

Quoting: **Anonymous Coward 83857929**

1. Apparent changes within the person are not transformation. Note: There are no enlightened persons. There is only a recognition of the actual identity. But not through the person, but when that chakra moran is absent.
2. There are not two bodies. This is - as I have also written - the narrative of the Bible, which is based on the fact that most people think of themselves as an entity in a material world, but that has a soul. Real is only what is called soul, that is, what for most people is only a fantasy in the mind.
3. As already explained: I do not say that. You only imply that. I say that you only talk unqualified garbage, because **you are a deep sleeper**. An engine and a chassis exist only in the illusionary realm of the mind. You don't realize that the car is just a projection on the screen when the actor on the screen is fiddling with the engine.

**Re: Your True Form Is Not Of The Flesh**

When the form disappears, only the substance remains.

Quoting: **TRUE SELF 83442019**

while this is true, you really failed to explain or rationalize how the form is less real than the substance

because if the form is made of the substance, and we know God is the One aka All That Is, that means the form is also the substance, in a different state/frequency/vibration, right?

why judge part of the substance which has become the form just because it vibes differently than the original reality? isn't that the same as denial of God within All That Is?

Quoting: **Anonymous Coward 83857929**

This is basically true or rather a question of definition.

If I say that only the substance is real, then this means that the form cannot exist  
If I say that only the substance is real, then this means that the form cannot exist out of itself and is therefore only apparently real.

That which is real is that which always exists and needs no cause. Substance. There are explanatory examples of this in many traditions. For example, it can be said that the rope that you think is a snake in the semi-darkness nevertheless remains a rope and never becomes a snake, or that what looks like a wave quickly becomes the ocean again.

So the ocean gets along well without the wave, but the wave not without the ocean.

Therefore, the wave is only a temporary appearance and not 'real'. Just like you respectively your ego-I, the person, your body, your thoughts, your sense perceptions and the world perceived by the senses.

**Therefore, talking about the ocean as a (limited) wave is not the same as being the (absolute) ocean.**

**Re: Your True Form Is Not Of The Flesh**

Just like a butterfly morphs from a caterpillar you are not the flesh body you were born into. Your soul is independent of this flesh life form, we are beings of light, of pure consciousness. We are immortal.

Remember that what you do here is weighed and measured afterwards.

You cannot escape your past. All will be revealed once you shed your skin suit in this life.

Heaven is real. God is real. Your relationship with God is the most important factor in life. You should love God with all your heart and then and only then can you begin to love others. Love others as you love yourself.

All these things are hard to maintain. We humans do not love each other because of the sins that are abundant in modern society. We are weary of others and expect the worst outcome to be the outcome as life has taught us all these things. Trust is earned, not given freely.

God says to love each other. How many of you try to live a life of unconditional love? I choose not to love the sinners in this world. The rapist, murderers, child molesters, and those that use greed to take from the rest of us. Jesus said to love them all. I am here to tell you to love those deserving of your love and screw the others.

We are greater than this human experience alludes to. Our consciousness lives on through the soul. You never age after the death of this body. And the soul can inhabit a new body that is hardier than this flesh suit. You are here to test yourself before God. Can you rise up and walk the righteous path?

Quoting: **Deep1111**

yeah it's quite amazing

I remember learning in school about certain creatures life cycles and metamorphosis and thinking, 'what if humans were like that?'

then you start mixing in people's ideas of angels with wings, etc and you can really take this in an interesting direction

As long as you approach this great journey honestly wherever that takes you, I think you will get there.

Godspeed
