Re: Is "The Truman Show" going to be confirmed as real?

Was chased by an octopus headed alien in a 10 ft wide black flying saucer for hours in my car in 2015 north of mt shasta. A couple weeks later someone named casey (supposedly casey frey -- related to v2k inventor allen frey?) flashed the same alien face over his own and i had a night of missing time. remember a couple minutes of conversation with him. he said i was the first and only one to figure it all out and was right about everything (had been posting stuff on fb cuz i thought i was going to be killed from the targeting that was happening)... that two guys had bets about how screwed up they could make me.. that my whole life has been recorded. .. that i was regularly getting gassed/nano poisoned thru out my life. that there was a guy (him?) who was imprisoned for a long time and got hold of a chip w/ every human life on it... i'm told this year that they put 28 etheric implants in me that night. wasn't quite the same from that point on. told they've stolen and copied my original music and he intends to pretend he made it all up.

Re: Is "The Truman Show" going to be confirmed as real?

I sense there are some backstage mediation events going on, but it's a slow process.

The pope pausing for 40 seconds in an interview today suggests they are firmly on the back foot.

But the TI/Mic crowd might be above even the pppe.

Well he is your neighbour.

All I know is to keep causing problems backstage until a mediator / adjudicator PMs me on GLP, or walks up to me on the street.

I requested adjudication about ten days ago, the thread got deleted 10 times. Maybe one day you'll answer my PM. Until then I will wait patiently and cause as many problems as I can.

The Pope is Yaldabaoth representative on Earth. That is The God he represents old YHWH, you know short for Yaldabaoth.

Same God the Hebrews worshiped, and the same God the Freemasons venerate.

The Pope does not worship the God Jesus spoke of. That God said everyone was equal. The Catholic church has ranks. An obvious perversion of Christianity.

Gnostics believed it was our duty to escape The Matrix of YHWH.

Many Greeks also believed this. They have used logic, reason and Philosophy to chart the way forward because mysticism had betrayed them as it was not consistent.

Logic is The Rock you build your reality beliefs system on.

Mysticism was the shifting sands.

I have encouraged people to project Love energy at the Pope when he appears in public.

It works on all "the bad guys" and nailing them in public proves to your associates what you do is real.

Hillary could speak in the debates when I nailed her.

James Murdoch looked like a liar at the Inquest in the UK and the Glamour they were trying to present failed.

This is what One person operating alone can do.

Imagine if you people actually helped me for once.

We would clean up in less than a week.

None of the ones who sold out to the Dark can stand against the Light of Pure unconditional Love. It makes them falter and lose their words.

Shit after I got to Biden he didn't even want to be in public for several months.

That is what we have to use against them. It is effective and if lots of people helps we would break them down *and perhaps free them from what owns them.*

Now you see why they HATE ME.

I have power over them they do not have over me. I know how to get anyone to be able to do it.

There is more of us than there is of THEM.

They have been trying to shut me up for over a decade because they knew this day was coming.

They lose all power over people and they end up being less than ordinary. But only of the Good people help.

I am not doing this on my own for ungrateful people. I do this for the good people and they try to make me pay for all I do. Yet I do it still.

Fight The Power.

Sorry I'd love to help but I got to mop the floor this morning.

The main thing is, if we take down the public faces, the handlers behind the scenes will remain untouched. They are ready for this era, and have been planning to stage a fake worldwide revolution, and then carry on manipulating from behind the scenes.

Alright, lets make a list:

- The Pope.
- The Grey Pope.
- Stephen Goedhardt.
- The CEOs of Blackrock and Vanguard.
- Wang Jianlin.
- Adam Arun.
- The corrupt heads of the Orion and Sirius empires.
- The entities behind all of these people.

Anyone you want to add? Let's set times if you want. Do it on this thread. Call it a hit if it gets deleted.

Im interested in the 'project love at them' thing. I know intuitively it works. But on the other hand, they seem to want to keep us in this reality to drain off our love incrementally, and life off it. Maybe they need a trickle, but can't overdose. If you can expound on that, please do.

I replied to you in the clipshow.

I always wondered whether to hit the minions or the bosses. Or how much use it was hitting the minions.

It does make sense that if you cripple the minions they'll eventually run out of willing or competent people. Everyone knows which way the ship is blowing now.

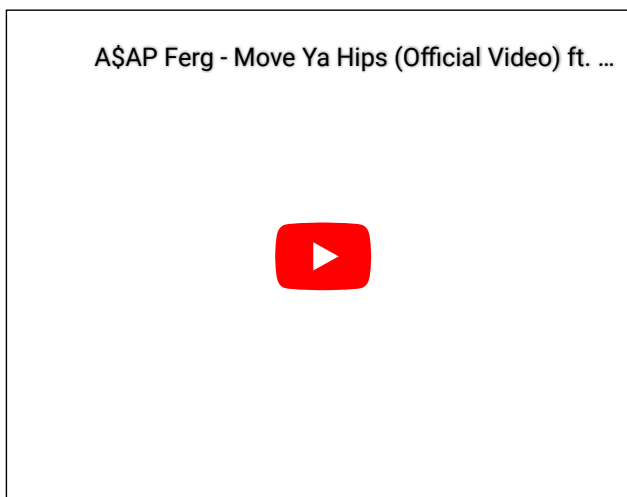

I decided to take a more neutral stance recently too. But I still think we have TPTB on a slow simmer. Just got to be patient, enjoy the process, and make a sustained (non)-effort every day.

I guess they see the bodies here as meat robots for their personal pleasure. I guess tempting some high level angelic energy being into a flesh suit must be unbearably tempting to them on a sensory and ego level.

Cool vid. Any more feel free to drop them here.

This is another part of the story:
