Re: God is alive right now in the flesh, but nobody knows Him

~~The bloodline of Christ is very much alive and being heavily attacked by anti white rhetoric.~~

Quoting: **Praetor of Olea**

far as I know the blood line of Christ as there were children and all have been murdered. If there is any bloodline left after 2000 years... its keep very secret. Mary M bore a child and there were 5 children born in India after the Crucifixion.

Quoting: **ALL IS ONE IS ALL**

NOPE. there is no bloodline of christ. Jesus didn't have any children, not with mary M. and not with anyone. and no Jesus didn't go to india after the crucifixion. those lies comes from shitty new-agers and gnostics.

coincidentally, many a nutjob like to claim that they are of the bloodline of christ. they aren't. they are just plain old full of shit.

How do you know Christ never had children?

I prefer the Hawaiian View.

God is the egg, each of us inside the egg; is of god.

Read "Bowl of Light" about the ancestral grand plan.

It's bizarre new age rubbish that contradicts 2000 years of scripture and tradition.

Re: God is alive right now in the flesh, but nobody knows Him

"He has a name that nobody knows except He Himself"

That means whoever is tried to convince, only He Himself will know who He is, just like Jesus.

Jesus says He will write on an individual the name of God.

Jesus gives Him the bright morning star.

The hidden one is prophesied to rule the earth with a rod of iron and dash the nations to pieces.

He is given the New Jerusalem as His dwelling, will sit down on the throne of God, even receive Jesus' new name.

Nobody sits on the throne of God, except God (Elohim).

Someone alive on earth is God and only he knows it.

Well done, you are correct. I am on EARTH.

God is not a physical human person. Start with that and you won't ever be fooled by some man calling himself God and wanting you to join his new cult or religion.
