John 10:22

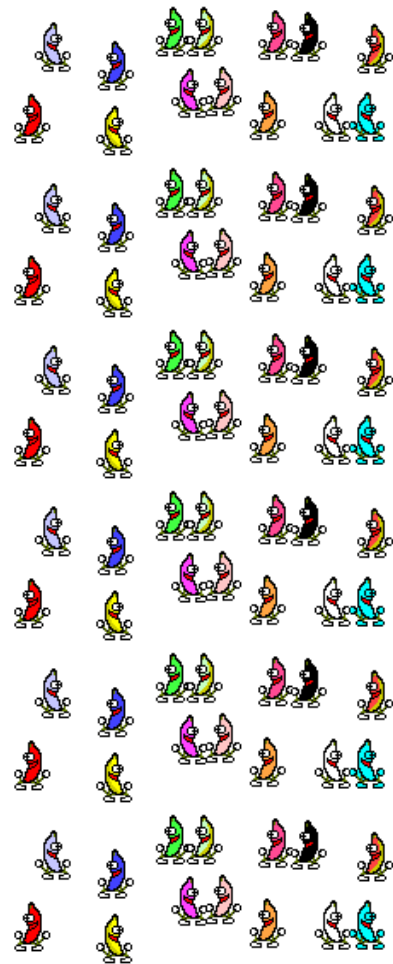

Then came Hanukkah; it was winter in Jerusalem. Yeshua was walking in the Temple around Solomon's Colonnade.

**Re: The Anomaly???**

I wish I could impart some wisdom or tales of intrigue, but the machine of the universe is particularly resistant and downright oppositional (you might say "angry") at present - no doubt attempting a course correction and balancing for recent subversion of its function and the natural order.

Until the advent of full realization, things are going to get ugly and unspeakably frustrating for *the guy*. He wants to give up at times, but he is super-humanly stubborn and insistent in his intent.

Until that realization occurs, it will always be action/reaction, so he must tread with some degree of caution. Fortunately, and also until that time, the ripples made are relatively small so the consequential corrections are (for the moment) not exceedingly severe.

The anomaly would have to make the greatest sacrifice, for which he would receive no reward.

Not many could do that.

He has always been pro gay marriage and pro pedophilia.

Happens when raised a catamite child temple prostitute.

She has been with the same hunk for the past 4 years. 6'5 and taller is her preference. Not the Anomaly's 5'5.
