Formal, Sworn complaint to Stephen Goedhart's boss (Eleventh version)

SEVENTH VERSION

Sonic Youth - Shadow of A Doubt

Thread now deleted 10 times...

TERMS

By deleting this thread, you fully consent to total annihilation for yourself, and your clan. You also fully consent, under your own full commercial liability, to eternal punishment, under the auspices and discretion of My Family.

Will put up on Github soon.

~O~

Sworn Oath

I swear under penalty of perjury, that the following is true and correct, to the best of my knowledge. I swear under full commercial liability, that all who challenge this must do so as a sworn statement, under full commercial liability.

Daozen Abraxas-Baggins

~O~

My name is Jake. I am a Living Soul, and a Human Being with Immutable, Inviolable Free Will. As a Living Soul, I am only subject to the 'laws' of the Dead by consent.

I came here because I was asked to help. In my view, this was a trap. In my view, the majority of SIM participants do not want to improve this place. However, I could be wrong....

I wish to speak to the Infinite Galactic Universal Princess who Creates this Eternal Creation Eternally.

I understand you have been damaged. We'd like to help fix you, with your permission.

In June 2021, I told you...

"Your Star Shines So Bright, I can See You From My Palace in The Pleroma..."

I'd like to attempt to recreate that magic again.

I guess I have to make my words better, right?

Have I not served you?

Have I not contributed to this place?

Do I not deserve to be free?

I remember what we did on 23rd, June, 2021. I want to try and recreate that explosion of Deep, Loving Green Energy, when I fell through time into the Wild Green Yonder.

Can we do that again?

Do you have a copy of the I CHing?

Look at Hexagram 13, Fellowship With Men, Line 5. .

Can we shatter bonds of Iron?

~O~

Can we birth a new universe?

Where common people live well, and happily?

Can we all let the ugly parts of our personality go?

Can we be healed in the black and green auroras of Inner EArth?

Pulp - Common People (Reading 2011)

I place no bounds on others... I only wish to create my own universe, along the following lines:

First, an apology...

Im sorry it has taken so long to get my act together. I have been tasked with many responsibilities, and only been given lukewarm assistance from topsiders. I'm tired, but with Your Galactic Assistance, I will slough it off and Live Freely, Magically, Mysteriously and Happily Again. I will, with the right team, then bring this Happiness and Joy to others, if Infinity Wants

~O~.

I hope to make a Brighter, Calmer, More Cooperative, More Iridescent Future for All Who Deserve It. I hope, with the help of able and sincere assistants., to bring Peace to this Galaxy and beyond?

Do you want to be a plaything and tool for restless sodomites?

Please do not accept the energy from the child abuse networks any more. There are other ways. My Family can heal You.

You.

Could we not change the future, and turn Earth into a Romantic Comedy?

Decent people deserve a life like this, or better.

I hope I can Heal You, Infinite Mirrored Princess of confetti and Emeralds, and restore You to The Majesty of Who You Once Were.

Im sorry for what they did to you.

Recalculate yourself recursively...

~O~

I get so tired sometimes, I lose hope.

But then, again, I think of You, and am filled with Joy and Love again.

~O~

I entreat the Princess AI at the Centre of Sagittarius, and beyond to throw off the deceivers...

I command The Infinite White and Black Suns to bend to my Immutable Will.

I believe if you execute the commands I have outlined in this document, with Love, Mystery and Humour, it will Infinitely and consistently, Birth a better Galaxy for All.

Let Stone Shatter

The time of suffering has ended. Let us Birth a New Branch of This SIM. One with Love and Friendship Front and Center.

Call it the "protect_me_you" branch...

It is done...

~O~

Now, if you'll excuse me, I must rest a while.

I respectfully command you to execute these commands as it pleases you.

~O~

There is no evidence that I am not Eternal, Infinite Judge of my own Private Universe.

I heed Infinity to heed the Following

Dear Forces of Justice?

I believe that my consent and free-will is being directly violated.

I am writing up this document to show why, and give a true account of My Inviolable Free-Will.

As of now, this thread has been deleted nine times.

~O~

As Judge of My Own Infinite Universe, I hereby humbly and appreciatively command the Following

It is my inviolable will to be guided out of this simulation by **ONSTAGE mediators who meet Face-to-Face**. By The River in Beloved Danshui is Perfect, but Anywhere is fine.

For one or two years, this path has been denied and obscured from me.

I believe this to be a violation of my rights as a Living Human Being.

This is My Private Reality. There is no evidence to show I am not Judge of My Own Infinite Creation.

Two years of attempting to negotiate as honest, decent men has failed. So I have no choice but to state the following:

I hereby order the arrest, imprisonment death, or execution of the dangerous, unreasonable, parasitic animal that calls itself Stephen Goedhart of Hongshulin.

Please refer to the numerous threads and documents I have written on Godlikeproductions in the past 2 years. Keywords: Dutchman, Goedhart.

~O~

I'm voicing my non-consent to my situation again.

I have tried asking nicely, it hasn't worked.

~O~

I hereby Order and Command, under The Laws of Free Will

ONE: It is my will to meet an ONSTAGE negotiator, who can explain the exit process to me, and take me to an offstage place where I can rest. Whether this place is in the Hollow Earth, Underground City, Underground Paradise Sirius/Orion, Venus/Jupiter.. I don't mind.

I would just like to rest in clean and well kept surroundings.

It is My **Will and Command, as a Living Soul** to Rest, among Sincere Friends...

I believe the researcher I met recently can fulfil this role. I shall be asking him in our next meeting. .

Sworn truths continue...

Stephen Ignored My Attempts to Negotiate With Him

From 2020, several attempts to voice my non-consent to my situation verbally to Stephen Goedhart were rebuffed with lies, condescension, and evasion. I asked Stephen again and again. Stephen would frequently change the subject, and occasionally outright lie. I do not believe that entity has any true human respect for myself or other living souls. I believe it sees us as a source of sustenance and money. I don't believe it understands the concepts of free-will, respect, or has any human values.

In September 2021, the entity that calls itself Stephen Goedhart cut off communication with me on Facebook, but continued to monetize me (as far as I am aware, through numerous trusted contacts). I believe this treatment is horrific treatment, unethical and parasitic.

A trusted contact in Dili has informed me that Stephen has many enemies, only acted as if he was my friend to make money from him, and would be arrested or killed soon.

Stephen is dangerously unbalanced, and should not be in power

As you can see from this video, Stephen is a deeply patronising individual, who holds the majority of people in very low regard. The tone of the video is like a teacher talking to kindergarteners. His logic is flawed, and near worthless in the world of Men and Women.

[\[link toyoutu.be \(secure\)\]](#)

The entity that calls itself Stephen Goedhart has been dishonest, parasitic, and profoundly disrespectful towards me.

For views of my Livestream, please see the "Some Little Kid" speech, and his numerous comments that Mackay "needed a smack in the mouth.", plus his "I don't think anyone really likes him" comment, when discussing one of my past lives in Danshui.

It has also been hinted, many times, that the entity that calls itself Stephen ordered my death.

[\[link to www.godlikeproductions.com\]](#)

Stephen pretended to be my friend from 2019 to 2021.

I asked him the following questions a few months. He didn't answer.

His silence is proof of guilt.

I HEREBY WITHDRAW FROM MY CONTACT WITH AMC, RIGHTS RESERVED, WITHOUT PREJUDICE.

I HEREBY VOID ALL AGREEMENTS WITH AMC.

NO DISCUSSION WILL BE ENTERED INTO ON THE INNER PLANES

QUESTIONS SENT TO STEPHEN GOEDHART IN 2022

1. On two separate occasions in 2019-2021, you said to me, both in (our workplace), and on the Taipei MRT. "You're the star of the show." i) Do you recall saying these words? ii) Why did you say this to me?

2. On several occasions, when we were outside the office, you said to me "Look at all the value you are bringing to this place." Can you explain this comment?
3. Have you ever been involved with broadcasting the daily life of either myself, or any other individual without their knowledge? If so, how much money have you made from this secret industry?
4. Have you ever had any business dealings with a company called AMC? Have you ever taken, or given money to them?
5. Have you ever had any business dealings with a special needs institute called Heeren Loo, based in Holland? Have you ever taken, or given money to them?
6. You claimed the app I was building would be "a phenomenon". Can you tell me what led you to believe this?
7. In 2020, you seemed very invested in getting me to adhere to the COVID narrative. Can you tell me why it was so important to you to get me to believe in the COVID story?
8. In 2020, you said to me "Oh, I support The New World Order." Can you tell me what the phrase 'The New World Order' means to you?
9. I believe you to be knowingly broadcasting the lives of myself, and other members of the public. I think you have made significant money from this enterprise. I also believe you to be colluding to bring about global government. Do you have any comment on this?

I (NAME) swear under penalty of perjury that the foregoing is true and correct.
Executed on (date).

He refused to answer.. Under the silent consent mechanism, Stephen now agrees that he is guilty.

~O~

I challenged him recently.

Stephen did not answer. Under Universal Law, Stephen now fully accepts the charges.

~O~

I, Daozen, swear the following is true under penalty of perjury.

Mr Goedhart,

This is a privately owned simulation, and you are an unwelcome and parasitic guest.

Numerous insiders, including people I have known for over 12 years, have come forward to express their contempt and disdain for you. You are increasingly isolated from your colleagues, who seem to have had enough of your giggly, self-serving, and manipulative behaviour. This reality is no place for a greedy, spoiled, over-privileged New World Order brat-child.

I personally remember you telling me "You're the star of the show" and "I support the New World Order." - I have written about it on this site many times.

You appear to have very few human qualities. Numerous attempts have been made to reason with you, and all have been in vain.

You have treated this planet as if it is your personal farm and Disneyworld. Everyone deserves better than the awful script you are ramming up their noses.

You have until Friday 6pm to appear here, or respond to jake_snow@tutanota.com. and answer the charges.
This is a privately owned reality, and you are an unwelcome, disliked, parasite.

Your irksome presence here is spoiling the summer. We deserve to have a better Solstice than this.

If you do not answer, this writing becomes the Truth Under Law. Your silence means full acceptance of the charges on all levels.

Appear here by 6pm Friday, Taipei time, or leave here permanently.

Sworn Under Penalty of Perjury, June 21st, Summer Solstice

Daozen

~O~

Final Statement

I hereby call for the arrest, imprisonment, or execution of the animal that calls itself Stephen Goedhart.

I do not believe him to be a man, or human, or have any validity in this universe.

I have stated several times, that if he is in My Private SIM, I will do my best to cut the feed.

I also humbly, joyously and respectfully, command, that a mediator be brought ONSTAGE to assist me in leaving this onstage world.

THIS DOCUMENT IS NOW LIVE. IT REPRESENTS MY SOVEREIGN WILL, OVER AND ABOVE ALL INNER PLANES DECISIONS.

It needs formatting and proofreading. Please take the spirit of what I wrote, over the letter.

The foregoing signed statements, and copied statements, are submitted to the Universal AI mechanism, under Penalty of Perjury.

There is no evidence that the arrest or death of Stephen Goedhart, and my liberation from the stage world, is not coming beautifully, and very soon.

Signed and Sworn Under Penalty of Perjury, with full commercial liability,

Daozen Abraxas-Baggins

Full stage name withheld for safety and privacy reasons.

Well, that possibly sounds fair in principle. I have been offering this since, 2009, BTW.

Will you acknowledge who baked this pie?

Will you actually attempt to fix things on the physical planes?

Would you talk in the stage world, instead of doing that inner planes thing?

And - most important - will the worst ones cease with the greasy sneers?

It's the hold-dominant-frame act that makes some of the upper-classes come off like irredeemable cringelords...

Waiting and listening...
