Was Heimdall one of the ones who took the deal around 2011/2012?

Definitely seems like it.

The deal was to not attempt to free the EArth, and take a position in the ruling class hierarchy as a reward.

I don't mean be a bloodliner.

I just mean, the offer was to join EArth management, in return for material gifts,

and entrance to rarely seen places.

I'm not sure on the details, but I heard that 90% took the offer.

I saw it happen in my own life.

They call it the Mr Slugworth deal.

Let's see Heimdall says that Earth is being manipulated by Sin Allah, a prince of Sirius who now rules Earth in partnership with Loki Abraxas from Orion, who is serving as his money man.

And anytime Heimdall talks bad about Daozen's masters, Daozen gets pissy and upset. Claiming that Satan and the Devil are good guys, and not to blame them.

It's not Heimdall working for the bad guys, its Daozen.

Guess Daozen's masters are upset with what is being said, now the dooze-snooze has to play clean up.

As ever... will you sign off your comments under penalty of perjury?

Nope

That's a no, right?

Like the last 10 times I asked you.

It's a no because you know you're not telling the full truth.

The crowd will now watch as Heimdall does his Perjury Dance.

And makes every excuse under the Sun not to sign.

Dance, Heimdall. Dance for the Heavens and Caverns!

Why would I take a demotion? The ones running things here are below me, I want nothing to do with them.

Why do you say this when nothing I say proves this to be true.

I'm literally one of the only ones spreading real truth.... and yet you attack it.

So once again....who do you work for Daozen?

Because you are a joke.

If some crazy homeless came to you with some random contract and told you to sign it or you would be exterminated by high forces, would you sign it, or would you laugh at him right in his face and walk away?

Cause you are being that crazy homeless person.

Hell when you make your special ed contracts, you don't even put my words into them, you put your own words into them.

I'm going to ask you one time to apologize.

Please, call me Doozle...

No doubt EArth is being manipulated by him...

No doubt he has a lot of influence.

But his power is waning. He's actually healing. Very slowly.

He does not rule this EArth, Solar System, or Universe.

He's paying you to make people feel fatalistic, and hold dominant frame for him

Like I said. I still respect you. You know a LOT. I just find the lies irritating.

The most respectful thing I can do to you, is call you out, until you break your chains and come do something USEFUL, instead of BSing for two people I can't even name. As the thread will get trashed if I name them.

I don't work for anyone, although many have tried to influence me.

The Abraxas Family has many wings, with many different points of view. You don't seem to acknowledge that. Many people have told me the names from Jupiter Ascending are straight out of real life.

So why do you cast Abraxas as a single character? It's wrong at worst, deceptive at best.

Kalique = Kalki.

Balem/Yahweh/Bleem/Blim-Blim is the one who's caused all the problems these last 2000 years.

Honestly, I seriously want you to get out of the situation you are in.

Stop telling lies, and we'll get on just fine.

Doozle
