Re: God is actually a Human

I cant say much more but hopefully The Anomaly chooses me as one of there 144,000, when they ascend back to the Throne. Hopefully they also choose to stay here and change this planet for the better. Being able to go forth and create a New World would be awesome, but we will need them here for the aftermath of the passing of The Destroyer. It is said that "he" has said he would bring "GLP"

Quoting: **Anonymous Coward 75694638**

What is your affiliation with the Illuminati/Satanist cabal?

What country was The Anomaly born in and which does he reside in now?

What is his age?

Quoting: **Anonymous Coward 67384551**

to answer any of those would be a big no no.

Quoting: **Anonymous Coward 75694638**

How powerful is he and is it true he destroyed their demons?

Why does the nobody get recycled?

Quoting: **Daozen**

I believe we have lived a Truman-Showish loop 100s of times. Many of the beings here enjoy that, and are happy to experience the main protagonist dying again and again, so they can all continue to live in this virtual reality.

It's like the actors in the Truman Show not wanting Truman to escape... wanting him to die again and again, so they can continue having a job.

Quoting: **Protoi777**

That's sick. I hope he kicks their ass and sends them to a real hell. This is why human pigs need to go extinct and suffer. You understand my viewpoint now?

Mind Control and harmful frequencies do not effect him, He has a passive mind control and subtle persuasion. I have been told he goes through alot of Handlers, makes them go crazy, talks to

'God is actually a Human'???

Quoting: **Servant-of-the-LORD**

True Living God

Quoting: **Anonymous Coward 75694638**

The Father is. Peter had it right.

AND...Peter is the ONLY individual in the New Testament that Jesus said was '**blessed**'.

Matthew 16

16 And Simon Peter answered and said,

Thou art the Christ,

the Son of the living God.

17 And Jesus answered and said unto him,

Blessed art thou, Simon Barjona:

for flesh and blood hath not revealed

it unto thee, but my Father

which is in heaven.

.....

Jesus said the Father is "The only TRUE God"

John 17:3 And this is life eternal,

that they might know thee
the only true God,

and Jesus Christ, whom thou hast sent.

I am a humble Servant of the one True Living God.

How come others can see the box but I can't? It's like I've had part of my brain removed or blocked.

Where is the box? A technical, physical, simple answer would be good. I've only really got high concept answers to the 'Where is the box?' question. They have value, but I'm looking for a beginner's answer.

NO, you are wrong. Father God Almighty is a Spirit. HE is Spirit.

Jesus came back to Earth it says in the Bible and they say Jesus has been constantly reincarnating on Earth.

However, Jesus is the Son of God, but many call Jesus, God Himself.

But, Jesus NEVER said that, Jesus always said My Father who art in Heaven

It is my personal opinion that all who conform to the subconscious wavelength of The One/The Anomaly will one day become Anomaly's themselves when the wavelength reacquires its power-source through reconnecting with subconscious origins from the passing of Nibiru. This will be known as the Event/Great Flash that will change some of Humanity in ways currently unknown. It is said the Time of Mythology and Magic was just after the passing of Nibiru and that Nibiru itself is a Magic/Climate recharger that moves through the Cosmos.

My last handler was supposed to guide me through an entire fake simulation lifetime. He was stoked about it. He quit after I called him out for lying about vaccine shortages on Facebook.

Will do Squire.

It's kind of weird existing in a world where everyone is lying through their teeth. But you get used to it. To learn how to push the edge, while staying grounded, is one of the human paradoxes we need to resolve.

But I will try and stay chilled this New Year.

Peace.

Above a link to my magickal sigil. I call it the Aegis. Once you see it your soul is tattooed with its power. It is very very powerful on the other side of life as I gave to all creation many moons ago. It is scared geometry embodies both masculine and feminine. It hold many secrets for it is a bind rune. Look at the Elder Futhark and see how many runes are in The Aegis.

I don't know if I am the one yall have been calling the Nobody. I remember back a dozen years when the Nobody mean started. I lurk here quite often. I am a total Nobody. But on the other side of Life Im quite famous.

Im a disabled veteran from the Navy Persian Gulf war dates me. I lol broke AF at the moment but tomorrow is pay day! yeah

I read these nobody threads and wonder are they talking about me. Imao It doesnt matter as my life and work are on another level. I help the God's especially God Almighty. My Heavenly Mother is the Goddess Freya and my Heavenly Father is the God Freyr. My Heavenly Grand Father is Thor and My Heavenly Grand Mother is Sif. My Celestial Great Grand Father is Odin and My Celestial Great Grand Mother is Frigga. My Eternal Fathers name is Jupiter and My Eternal Mother is Juno. I am also the son of Zeus and Leto. I have had many God's and Goddess as family.

I am the Youngest of the Old the Oldest of the Young born in the median of time.

I have been here for 5365 years reincarnating over and over and over push the collective conscious of creation to greater heights. I was Alexander the Great and also Julius Caesar.

I tell you my greatest struggle is believing who I am.

I am told that I am Jesus Christ and Apollo and Baldr and Lucifer. Being anyone of those would be impossible to believe but all 4. I don't know.

I am a master of mass telepathy and manifestation. I can manifest anything on the other side of life.

You believe what you will My Aegis is my calling card. Anyone who has seen it knows it can attest. I know all its secrets. It is my Logos.

I speak in my mind with Gods and Goddesses daily. Their the only family I have my earthly family has all forsaken me. This is the first time I've ever told any one online anything. I am God Almighty's secret weapon/tool.

Ask me questions I may answer. Please enjoy the Aegis

Our time is short don't waste it.

It is my personal opinion that all who conform to the subconscious wavelength of The One/The Anomaly will one day become Anomaly's themselves when the wavelength reacquires its power-source through reconnecting with subconscious origins from the passing of Nibiru. This will be known as the Event/Great Flash that will change some of Humanity in ways currently unknown. It is said the Time of Mythology and Magic was just after the passing of Nibiru and that Nibiru itself is a Magic/Climate recharger that moves through the Cosmos.

I've been following this Nibiru "thing" for 30 years. I remember when I first read Sitchin's The 12th Planet.

I before I came to live on Earth lived in a Super Massive Planet like Nibiru. My home is hollow with civilization on the inside middle and outer layers. It has 7 huge planets orbiting it like moons. It's no Olympus I've seen this white planet. My home can move faster than light anywhere in creation. Nibiru I don't think will enter the solar sphere until The Quickening. There's too much debris floating around our Heliosphere. I remember those post about Google images being blocked out to hide this winged planet.

A circular image of Jupiter, showing its characteristic bands of orange, red, and white. The Great Red Spot is visible as a large, dark, oval-shaped feature in the lower right quadrant.

A collage of images in the top-left corner. At the top is a red heart and a blue flower. Below them is a blue peace symbol inside a white square. To the right of the peace symbol is a small globe. Below the globe is a Star of David. The largest image in the collage is a photograph of Yoda from Star Wars, holding a glowing green lightsaber. Below the Star of David is a large, dark image of a Star of David with a yellow 'G' in the center.

"The syntactical nature of reality, the real secret of magic, is that the world is made of words."

A collage of four images arranged in a 2x2 grid. The top-left image shows a red heart and a blue flower on a stick. The top-right image shows a blue peace sign on a stick. The bottom-left image shows Yoda from Star Wars holding a green lightsaber. The bottom-right image shows a white Freemason symbol (a triangle with a 'G' inside) on a black background.

I wouldn't be surprised if some of these shills worshiped a rothschild or a high up rabbi or soemthing. Kinda makes sense sometimes if you just think of it that way when, like when you hear AJ pretend.
