Liberating Armies have full permission to mop up, murder or eviscerate any stragglers.</p> <p>We have no more patience or time for you. The Reconstruction should be well underway by now.</p> <p>Under Penalty of Perjury,</p> <p>Doozle Abraxas-Baggins</p>

How do I surrender?

Quoting: **Anonymous Coward 84637074**

Just write out, on a piece of paper, an apology to all us us, and signal your intent to completely cease all aggression by midnight tonight, in return for the best deal you can get.

You can also put in writing, what you would like to do to help the reconstruction of Creation.

Write it out as best you can, and post it in a prominent place in your house. The observing forces will do the rest.

You may post it here, or not, as you desire.

Sure.

Save it as a PDF on your desktop, with a good font, if you can. Josefin Sans is most amenable. But anything is alright. ascii + txt is fine too :) Post it online, or keep it private as you wish. Address it to all of Creation.

Listen to Soweto Gospel Choir, Amazing Grace, or Imee Ooi, Guan Yin Mantra, if you wish.

The main key is sincerity... just do your best as you feel guided.

Thank you for your bravery... Noted with Joy.

That was good to read. Moving, even.

Im sure your life will flow in the right direction now.

If you truly wish to Fix Creation, you may start by learning the gentle art of CSS padding.

Your Cease and Reconstruct document, while sincere and groundbreaking, does not contain much white space around the edges.

Understand, *this is not a capital offence...*

But I'm sure All of Creation will rejoice if you increase whitespace in future missives.

Laughing Out Loud!

Now that's enough Kumbaya for today... I have to sleep and dream.

Peace on Earth and Outward Unto All Creation,

Doozle

Why begrudge anyone half a day, if it speeds up the process?
