Me too.

See how often I act up here?

They're running very powerful psychotronic tech.

Cursing those against them.

It's basically an astral Mordor.

So what do we do? Ignore it and pretend it doesn't exist?

Or try and rebias, cleanup?

Take it in small doses, but at some point it needs to be rebiasd, as its a huge etheric node.

it's because half the people here are too dumb to even be here.

it's like they went to the wrong forum and decided to stay for the wrong reasons.

Ha.

Consider GIP an etheric Chernobyl.

You don't want to live there.

But at some point, you have to deal with it.
