I see through your NLP

I see through everything

Instead of one and zeros it's angels and demons dancing with the Holy Spirit

I am not moved by your anecdotes and accounts of something I will always understand on such a far deeper level simply because I designed what you speak of..

Re: The most striking thing about the Anomaly is his sadness

He feels the pain of the world and everyone in it.

We live in a dark age where evil rules.

Sometimes it becomes unbearable to handle the reality of everything. His demeanor becomes grim and silent.

He feels helpless because he knows there's only so much he can do.

He has the answers but he can't force people to listen to him.

He has already tried, and he can deliver the message better than anyone else, but it was a fruitless endeavour. All they do is laugh and mock him, or even worse, threaten him.

The masses are too indoctrinated. As time goes on society will continue falling apart and everyone will suffer more and more.

That will lead to some people finally waking up to the hellish reality we're facing.

But that's the thing, people need to do it on their own. Nobody can force them to see it.

So the Anomaly will wait for the day when society is more receptive to his message. He knows things will get a lot worse before that happens though, and it makes him sad.

Quoting: **Anonymous Coward 80680728**

You are well attuned. Keep listening. There will come a moment of great significance - a change so dramatic it will utterly reshape our perception of reality moving forward.

Most unfortunately, so much will be lost and there will be extraordinary sorrow in the interim. This was neither by desire nor intent, but a message having been delivered, that a great undoing must first precede the realization of transformation.

It is understandable, but vexing nonetheless. It is felt there MUST be another way, but the decision ultimately falls to the Most High, where true dominion lies - a place of unsurpassed wisdom, well beyond that which is anomalous.

this woman is obsessed with making everyone think we're talking about her loser ex boyfriend whom she still obsesses over

Quoting: **Anonymous Coward 76032388**

No. Not an ex. Not into short homo men who say it's OK to put dick in children.

Not into people raised Catholic shit loyal to the Crown.

Quoting: **Anonymous Coward 2939019**

The person who you're talking about is not the same person as we're talking about.

It's as simple as that. What do you not understand?

Quoting: **Anonymous Coward 83540827**

Well I got Templars keeping me hostage calling me Your Majesty and saying if I refuse to marry a short ass f*cked male witch being hailed as a hero I will be burned alive.

Amazingly they are loyal to the vrown of England and have me at a place called The Windsor.

So you are either for Antichrist Windsor or you are for the ANALmolay.

There can only be one.
