There are Twelve Main Groups

According to a trusted contact...

You work on yourself.

Then one visits you.

That is 'The Game'.

Re: There are Twelve Main Groups

I have been hard at it for a year. What is the time frame for my first visit? Will it be obvious or more subtle? I feel they be helping but it's not obvious.

You really have to be ultra-pragmatic and grounded. People get guidance in dreams and intuition.

They don't tend to like it if you blare out an SOS all the time, as we have more than enough tools.

"Only those that try their hardest, are we allowed to help"

It won't be a tall Blonde in a Blue Jumpsuit.

They walk around all the time, dressed normal, normal skin, acting normal.

Timeframe? Think of a computer game energy bar. When you get your act together, you'll reach thresholds. Once you reach a certain threshold... say 65%... a positive meeting might occur. So the 'timeframe' could be anywhere from today, to never...

Bodybuilders, musicians, and public speakers careers start to take off when they hit a certain skill level, right? Do a show at a local bar, appear at a party, town competition, city contest, etc... this is the same, but more secret and private.

If you are on a good path, and go out in public a lot... you may notice a string of meetings with 'helpful strangers' who give you the next clue.

Like Secret of Monkey Island or Leisure Suit Larry. lol.

You have to show value and integrity in a practical way.

In my experience, they always come when I'm NOT thinking about them, and centered and grounded, and going about my business.

They come out walking more around Christmas and holidays. But they are really here all the time.

Any questions, I can answer as best I can.

I loved the Curse of Monkey Island, If you never played that, You should check it out. I can confirm what you have listed in your post as being helpful.

I had my Event/Encounter in 2005, when I was 19 years old, after a few years of Meditation, Thinking, and Working on myself, Research, and listening to lots of music.

I have continued to work on myself and am receiving genetic upgrades, I believe some of us are even in Stasis in our "Bodies" and are living in the mind purely at this point, the mind of the Planetary system which we occupy.

Good luck to all,
This is the way.

Research and music, right. Plus exercise and tidying the house. And working on something useful to everyone. That's the only path I really know.

Stasis, 'real bodies' and 'living-in-the-mind' is very interesting. I have no idea where my 'real body' is... only that this is some kind of simulation.

I think we exist across many timelines simultaneously.

I'm aware that I'm in a simulation, and therefore I'm subject to some kind of delusion. No argument there. I've been trying to 'break out' for a while.

There are many different places and zones to visit. Ran by different groups.

Personally, if I manage to get out of here, I want to rest a while, then assist others. I don't want to be around people who are constantly trying to control me, and rip me off, for example.

I'll just continue on the straight and narrow. Someone said the straight and narrow was a reference to the spine.

I was told I was being watched by the "House of David"
And it freaked me out at the time....they said they'd watched me my whole life....and I was "ready" and needed to take my birthright and join them.....

I think about it a lot....

I do know I've had a lot of odd things happening to me even as a baby...born on a military base....lot of weird stuff.

I wonder about it and if they'll ever come back and proposition me again

Interesting. There could be many groups naming themselves The House Of David.

It's the "join us" business that creeps me out a little.

I mean, work together, cooperate, live near each other... sure.

But all this Join Us stuff (which I have had too) raises alarm bells.

If you have pragmatic value, more than one group will show interest. It's probably happening to many GLPers.

The "wheat shortage" in the news earlier this year was them joking/complaining that there were too many tares. ha.

It felt more like a join us, as in a family inviting you home, more than a business proposition.

It was so strange and random, honestly...

I went to test drive a car and the salesman started telling me this as I was filling out the application.....

Like, I doubt it's something he tells randomly or to everyone.

I assume when he said House of David that he meant THE House of David...like the LINE of David from the bible.

Not to get weird, but I knew long before that that I was a TI and had been watched for whatever reason, like I said before, since birth.

I am in my Mid - 30's and this is not looking good for me in terms of moving around Lol, I feel like I am a tree firmly planted in my house at this point. Possibly for my own Safety.

Possibly for my Incarceration.

I am not sure what it all means, But you are definitely onto something about this and existing through multiple timelines.

Yes, it does help to 'wander' more when one already has two children 21 and 26. For younger folk (I'm 54) it is a skill for later in life.

 Took it as a sign to take the next day off and tell my girl to do the same, thankful they gave me a heads up.
