Beware of Fake Fatalistic Friends on the Forums

They're trying to get you to feel hopeless.

Like this:

Oh hello, I'm just a regular human.... just like you... but I just feel so weak. There's going to be a war between Russia and china, and politicians are nuts, and the economy is going down....Im just sooo looosstt.

^ It's true the world can be a dark place. But there are also many people trying to find a way out. The ankle-biters pummel the forums hard, so people start to feel listless.

Why do they want to induce apathy?

Because, as Gmork reminded us...

people with no hope, are easy to control.

If someone is not actively digging a path out of here... ignore them.

Daozen appears to be mentally impaired, but harmless.
