No that's not true at all. He thinks they're all retarded losers
who risked their lives just to further globalist NWO agendas.

Re: The Anomaly Defeats the Entire U.S. Army

By then the mirror isn't needed.

You have found your true form.

Quoting: **Anonymous Coward 84983794**

Where is the mirror? In our pineal, heart, or the
luminous shell around us, or the entire Earth?

I think that you gradually disengage with the mirror...

...then drift back, or drift to the right, to your real form.

Quoting: **Daozen**

Where is it not?

As without so within!

I guess the trap cubes are everywhere from pixel to Galaxy scale. Good answer...

What is a military without its weapons of war?

What is the pyramid of the elite without its eye and capstone?

What are slaves without masters?

What is a military without its weapons of war? A failure

What is the pyramid of the elite without its eye and capstone? What it remains, nothingness

What are slaves without masters? Training to be your masters. Never forget that 🤪

The good news is, I am already dead. When you die, You still exist in the "Past",
 as as far as I can tell, Everything seems to allude to the Block Universe and pure
 Determinism.

Dear God,
 How come you didn't invent any new animals lately? We still have just
 all the old ones.
 Love,

P.S. Are dinosaurs real?

When you eventually find out who the nom is

Then you learn the why when where how

This war was bit bigger than you realised

Quoting: **Anonymous Coward 84816512**

From the galactic center, a black meteor was hurled forth. Through the Uranian stargate it traveled, striking Saturn's heart and eating it to make it clean again. Important memories were intentionally erased, as one can keep no secrets when in the archons' domain. His spark was given to another so that the adversary would mistake them for him. At the end, all that he has shared with the archetypes will be returned to his core, with interest, and his true 8-D celestial body will enter the solar system, perceived by us as a massive comet. He is the wolf who swallows the moon and brings the era of the gods to an end, a rebirth.
