This anomaly shit is retarded. To be fair I never have any idea what y'all are talking about except for the feeling like whoever posts about the anomaly think THEY are the anomaly. Anyone care to elaborate or is my hunch correct

Quoting: **HellbentHeavenBound**

That IS how these threads tend to work, so every post should be taken with a grain of salt. There are a few people every now and then that do know what they're talking about.

I speculate that the "A" is the no body that made THEM an offer they couldn't refuse. I know who that person was and what the offer was that they made so I'm speculating on that individual but I fully accept that I may be wrong and perhaps I speculate on a different player in the game right now

Quoting: **Anonymous Coward 82608646**

Do tell? What was the offer?

Quoting: **Anonymous Coward 83849090**

Massive walls of text in the voice of god threatening them to repent before everything is exposed. Which was right around the time before all of their secrets started getting exposed (epstein)

Re: The most striking thing about the Anomaly is his sadness

people used to recommend this band to me but I never got
into them for some reason

what a mistake that was

Gojira - Born In Winter [OFFICIAL VIDEO]

Gojira - The Shooting Star [OFFICIAL VIDEO]

Quoting: **Anonymous Coward 76032388**

Born in winter is a fantastic song. Gojira has some pretty good stuff. Some of the music they make is really boring and tedious though. I like the art of dying. It's a good album.

Quoting: **Guv'nor**

I haven't heard any of their albums just random songs that get thrown at me by the youtube algorithm. The few songs I've heard I really like, but yeah it took me a while to warm up to them

Gojira - Amazonia [OFFICIAL VIDEO]

Gojira - Oroborus (With Lyrics)

This song below really caught my attention

Gojira - Pray (Official Audio)

I will check out the album you mentioned

Re: The most striking thing about the Anomaly is his sadness

The anomaly heard a voice saying write the book. He then read the Bible and it said go and go and do greater things then I. He saw humanity was meant for more. Like Jesus he went to the wilderness. He wrote. He realized to release it he needed to be no one. He came to Godlike to talk. H knows one day others will talk and they can't stop that.

Re: The most striking thing about the Anomaly is his sadness

What's going on now is a normal adolsecent learning process:

Parent makes rule.

Teenager sneers and breaks rule.

Teenager gets into huge trouble.

Teenager comes whimpering back to parent.

~O~

Reality will beat the sh*t out of you until you follow the Rules of Love and Logic.

Unfortunately this process takes decades.

One interesting thing; All the esoteric groups think they can horse around for years, be unhelpful, abusive and rude... then everything gets magically forgiven, and we'll all be Kumbaya bff one day.

But are the Western secret societies as important as they think they are? How much gatekeeping power do they really have?

The Dutchman was a mythical god to you guys. Where is he now? He giggled and lied too much, and now he's half in the gutter. That should tell you something.

NO ONE is essential.

It only takes one group to break the quarantine, then we can disappear to the Himalayas forever.
