I believe their precision rockets missed and hit Japanese waters.

Quoting: **Daozen**

bag is to get you from A to B.

water, warmth, food, first aid, navigation, comms, security.
20 lbs or less.

HOWEVER, if you do not have a destination... you aren't really 'bugging out', just running. Where?

If you are in a warzone, consider and INCH bag vs BOB or 'get home' bag.

I support Taiwan's independence from both China and the US and the people to co-exist and live in peace with one another.

Not much room to bug out too on an island surrounded by the enemy.
