### Re: What is the deal between the anomaly and the illuminati?

There are none. It's a Manchurian candidate who can easily be portrayed as the Christ or Antichrist. The subject endures a lot of torture until they are a shell that can be used as a vessel and then they are offered exactly what everyone else is for their trouble in turning the world into a perfect panopticon feedlot for the bankers and aristocrats.

I think you guys can stop doing this.

Quoting: **Sweet Jesus!**

Maybe if you agree to quit the site the anom-tards will also?

You don't have to disagree with them or even read these threads.

Just saying.

Quoting: **Anonymous Coward 81010544**

It's a psyop that tortures mentally ill people. There are bad threads about it all over the web. If I stop coming, that means I'm dead. The initial losses I took from this site all came at the beginning. The rest was the fallout. I just don't care.

You are busy, like the rest here, foisting the mythology of classical antiquity on people because social media runs too close to populism and all those things the old money hates. None of what it says is true, and rational thinking means a self-made person can reject the utopias that are merely a cover for your assuming permanent rule by those families in a synarchical manner. Portraying the victory of Rome as its fall is pretty clever, but its also a big downer ending for the rest of us who have some version morals instead of political allegiances. I'm guessing there's an extinction event that you really don't want the masses sober for. You'll even lie to me about it. Sorry, you've lied to me for far too long already.

So if we think we're here to offer ourselves as servants, do we need to quit all personal obligations and isolate or be cast out from everyone, likely around the same time?

They realized that in order to make those claims, they must know the details about what transpired which caused the original threads to be created. Once I started asking people what the deal actually was, a lot of them realized they didn't have a clue.

No they aren't.

The Reptilians have been enslaved by the Sirius Empire, which is ruled by the Elohim/Anunnaki.

The reptilians work for **MEN** from space.

The Draco are no longer a major power. Their home world was destroyed.

The Draco are a minor threat, who happen to be at war with most of the reptilians, due to their war against the Elohim.

They are only here because of Saturn.

Quoting: **Anonymous Coward 73369161**

Well all I know is some winged creature came into my house and told me this. The Anunnaki visit me regularly and I have a Sirian soul complex.

**Re: What is the deal between the anomaly and the illuminati?**

Just wondering the connections...

Quoting: **The void 83928823**

40 minutes into the thread and now on page 2  
I wonder when this thread will be deleted  
All that is known from research on this site is very minimal  
A while back a poster known as "angels everywhere" or "the maiden serpent" as well as "Lucifer sol" and the guy from Cyprus added some interesting information about this story  
What is gathered is this  
Supposedly the ones in power are searching for this person  
Not sure if there is more than one  
But I have seen listed the "nobody" the "anomaly" and "WOS"  
It seems like these people or entities are putting a big dent in the plans of the ones in power  
Or they threaten their existence  
And I'm assuming this whole Covid is to find these people  
The real question are:  
Who are they?  
Why are they here?  
How are they a threat to tptb?  
What is their purpose?  
And when will they appear on the world stage?

I'm sure those in the know do not tell  
But it would be nice to know  
I'm sure many who have Searched this site for years would love the truth

2023 2025 and 2030 is seemingly dates associated with this anomalous figure

The only thing I have gathered is they are Neo Trinity Morpheus  
Or maybe even God, the Child, and the Holy Spirit

Yes.

It seems they thought by being incorrect he would turn up and correct the record and they would learn what was going on by stealth.

I suggest he set about studying them at that point and learned more about what is going on from the organisations, and their trillion dollar budget, who were opposed to him than any other individual source of information excepting God who keeps him up to date on everything he needs to know.

Yes, they have spent a trillion dollars trying to suppress him and gaslight him. All taxpayer money to boot.

No they aren't.

The Reptilians have been enslaved by the Sirius Empire, which is ruled by the Elohim/Anunnaki.

The reptilians work for **MEN** from space.

The Draco are no longer a major power. Their home world was destroyed.

The Draco are a minor threat, who happen to be at war with most of the reptilians, due to their war against the Elohim.

They are only here because of Saturn.

Well all I know is some winged creature came into my house and told me this. The Anunnaki visit me regularly and I have a Sirian soul complex.

So you have the soul complex of the demonic conquerors of this world. Got it.
