Are Shepperton Studios part of the Truman Show production team?

Must be. A 20 minute bike ride from my house growing up as a kid.

Is contacting them part of the process, or have they been told to keep a wall of silence, like everyone else?

My parents sent me a book called Secret Shepperton, England's Hollywood.

Seems like a pretty fat clue.

The plot thickens...

It's your cerebral fluid thickening, not the plot.

It gets worse

So its hold frame, gaslight, guilt-trip, and wall of silence, huh?

OK.

Two can play at that game.

Were the early twenties parental abuse sessions run from Shepperton Studios?

I bet that didn't make the AMC Christmas clipshow.

Good work production team, real proud of you for that.

PS, you're acting like I never discovered the tacit consent/perjury mechanism.

I know that's your weak spot.

Re: Are Shepperton Studios part of the Truman Show production team?

J the actress sits there in front of a huge TV from 5 til 10pm, drinks a Guinness. Will hardly talk to anyone at all. Does that for YEARS at a time.

How the f**k is that #HopeAndJoy?

It's calculated abuse.

Re: Are Shepperton Studios part of the Truman Show production team?

I take them to meet Alina. They act nice to her, then tear the f**k into me a day later. I have some of it recorded.

I take them to meet Dan. They act nice to him, then tear the f**k into me the next day.

How is that **any kind of family life whatsoever?**

This isn't Hope and Joy, it's a sick Clockwork Orange experiment.

If you hadn't provoked me, I may have gone softer on "Jane".

You could have left this thread respectfully silent.

But you had to wade in and throw stones at me.

Now Im going to play hardball with the fake parent situation.

See how it works?

~O~

Hello..

1) I wondered if you will sign the sworn statement stating that you have never met or worked with Stephen Goedhardt, Kriss Kross, Heeren Loo, AMC and other members of that industry. If you truly have no idea who they are, you could sign the form in one minute.

I have an updated sworn declaration. If I send it, will you consider signing it?

2) Quite frankly I cannot forget the way you tried to bully me into taking a vaccine, and I can't let it go. You spent two years telling very obvious lies about the

pandemic. Turns out it's all about tricking people into taking crippling vaccines. You can't just toss off a quick emailed apology and have me forget that. Ever.

3) You may show this email to P____, but please don't pressure him to be in the middle. He has already said he doesn't want to play that role.

That is all for now.

Please let me know if you want an updated declaration.
